**Editorial Policy** - (Revised July 2004) American Saddlebred magazine's content will reflect primarily the programs and interests of the American Saddlebred Horse Association (ASHA). Its intent is to enhance education about the understanding of the ASHA and its programs, capitalizing on the achievements of its members, and to promote the breeding and use of the American Saddlebred. Favoritism among the adherents of the breed, or promoting one individual (horse or member) at the expense of others, will be avoided. American Saddlebred strives to publish content that benefits the membership as a whole, and to that end, memberships are required of individuals or their family members who are featured in editorial content. Every effort is made to balance current and historical topics in American Saddlebred.

Promoting a positive image of the American Saddlebred requires prohibiting the use of photographs of horses that are wearing any artificial training devices, i.e., chains, shackles, etc., in the pages of American Saddlebred, whether in editorial or advertising content.

Cover photographs will not feature recognizable living horses, which might be considered a show of favoritism or promotion of one individual over others, except as specifically approved by the ASHA Board of Directors.

**Advertising Policy** - (Revised July 2004) Advertisements submitted to the American Saddlebred magazine MUST comply with these guidelines or they will be respectfully returned.

1. Each must contain the horse's full registered name and registration number.

2. Each must contain the sire and dam of each horse advertised.

3. Only purebred American Saddlebreds may be advertised.

4. For historical purposes, altered images (whether digitally or otherwise) that have changed the motion, conformation or way of going of the horse will be refused.

## New Initiatives Mean Exciting Times Ahead for the American Saddlebred Horse Association

We are all so thankful to outgoing President Judy Werner and outgoing board members Nelson Green, Germaine Johnson, and Mary Anne Cronan for their tireless dedication and contributions to this association.

We are also thankful for the service and significant contributions of our outgoing Executive Director Paula Johnson, who will continue to assist us in a smooth transition going forward as we search for a new Executive Director, whom we hope to have on board in June.

Also part of the ever-evolving process, we welcome new board members Randy Cates, Redd Crabtree, David Rudder and Kenny Wheeler, and we look forward to the possibilities as this group brings new and exciting ideas to the table. We have an enthusiastic, talented and engaged board of directors and I am honored to serve with them.

We are excited to grow various programs and initiatives that are currently underway at the ASHA, such as Equestrian Life; the new High Point program; world-wide exposure through web-casting; and the wonderful work of our Charter Clubs, as well as exploring new avenues that will help us share the American Saddlebred Horse with the world.

We are elated about the new All American Cup Sport Horse program that our friend Jim Aikman has initiated as a direct result of his participation in a roundtable discussion held during our recent Convention. Jim has announced that in 2012, there will be two Sport Horse classes offered on Thursday evening,

We want and need our members to be involved! This is YOUR association and I encourage you to share your ideas and suggestions with me and other board members."

September 6th, at the All American Horse Classic in Indianapolis; one class for Saddlebred hunters, and another for Saddlebred western horses.

Our plans for the coming year include the establishment of several important new committees, including a Young Persons Committee and an Audit Committee, as well as expanding the scope of our existing Planning Committee to address policies and procedures, review and suggested revision of our Bylaws and our Document Retention Policy, and development of a strategic/business plan for our organization.

We also intend to expand our efforts at marketing and promotion, and explore the possibility of teaming up on these efforts with other organizations such as the UPHA and the Saddlebred Museum. We want to develop strategic partnerships with the equine programs and students at area colleges, universities and high schools. We want to be creative in developing new avenues to increase the revenues of our association.

One of our top priorities for the coming year is the funding of computer and technology upgrades which are long overdue; these upgrades will not only greatly enhance the efficiency of the office, but also enable us to completely redesign the ASHA Web site and incorporate new features

We are elated about the new All American Cup Sport Horse program that our friend Jim Aikman has initiated ..."

including the ability to perform transactions online such as transfers and registrations.

In early March, we reached an amicable resolution of all issues with the Concerned Members, and we look forward to cooperating and working together with the Concerned Members wherever possible to promote our breed.

We intend to communicate openly and often with our membership on all activities of the ASHA, and we're planning open forums for members to meet with our board later this year. We want and need our members to be involved! This is YOUR association and I encourage you to share your ideas and suggestions with me and other board members. As someone mentioned to me at the Convention, "There are no bad ideas!" Our members are a valuable resource and we encourage you to volunteer your time, skills, and resources. I have challenged our staff to identify areas of need, where volunteer members of our association can best be utilized.

All of us share a passion for our breed, and we board members are united in our desire to do what is in the best interests of our association, and our industry. The future is bright with all of our Saddlebred family on board helping to promote our breed!

## ASB Museum Celebrates 50<sup>th</sup> Anniversary

On Friday evening February 17<sup>th</sup> in conjunction with ASHA's Annual Convention, the American Saddlebred Museum welcomed approximately 300 guests to celebrate its 50<sup>th</sup> anniversary. The Museum was officially established on January 31, 1962, and its first home was in the Carriage House on Spindletop Farm, just down the road from its current location at the Kentucky Horse Park.

Searchlights and old fashioned lamplights, along with gold lamé trimmings and '60's hit music set a festive mood outside the Museum. Party-goers were greeted inside with more music of the era, a revolving horse head ice sculpture sparkled with gold glitter and a four-tiered golden cake decorated with edible images of the Museum, the 3 World's Grand Champions of 1962 and a Tri-Color Ribbon topper.

Several generous sponsors were responsible for the success of the event. Nic de Wet provided a complimentary wine bar stocked with marvelous Arabella wines. The Museum's board of trustees underwrote all of the decorations and furnished a complimentary retro Martini bar. And trustee Elisabeth Goth provided the lovely one-of-a-kind cake to mark the occasion. The Museum sincerely thanks each of these thoughtful sponsors.

A focal point of the evening was the Museum's 2012 special exhibition entitled *Where Were You in '62? Saddlebreds, the Museum & the Sixties*. Curated by Kim Skipton, the exhibit features Saddlebreds from the sixties, early gifts

to the Museum as well as memorabilia and pop artifacts from the era.

Attendees spent the evening dining at food stations with menus reflective of each of the 3 WGC horses of 1962, taking in the exhibit and socializing with industry friends.

Each February the Museum opens its special exhibit with a Reception and Viewing for the Saddlebred industry. Everyone is invited! Why not get your friends together and join us in 2013? We hope to see you there.

# EXCITING NEW OPPORTUNITIES IN EQUINE REPRODUCTION

By Etta Bradecamp  
DVM, Dipl. ACT, Dipl. ABVP

While it has been almost 50 years since the first foal was conceived using frozen semen, and almost 40 years since the first foal was produced by embryo transfer, these reproductive techniques continue to be valuable assets to the equine breeder. Both of these procedures allow breeders to preserve and produce genetics that may not have been possible through routine breeding.

For many years, the utilization of frozen semen has allowed veterinarians and horse owners to produce foals from deceased stallions, stallions that have since been castrated, and show stallions that may not be available for collection during the breeding season. Additionally, frozen semen can act as

The last couple of years have been exciting ones in equine reproduction with new research published on techniques and procedures that once were only applicable in a research setting.

an insurance policy for a stallion owner in the event the stallion becomes ill, infertile, or dies prematurely.

Embryo transfer has afforded mare owners the ability to produce foals from mares that are still showing or that are unable to maintain a pregnancy to term due to infertility, health problems or lameness. In some breed registries, such as the American Saddlebred Registry, owners are also allowed to register more than one foal per year from a mare. A filly born today may someday be bred to a stallion who died

ten years ago and embryos may be frozen from a mare and those offspring not born until the mare is too old to produce any more foals.

Additionally, the last couple of years have been exciting ones in equine reproduction, with new research published on techniques and procedures that once were only applicable in a research setting. Intracytoplasmic sperm injection (ICSI), preimplantation genetic testing (which includes embryo sexing), and cryopreservation of day seven embryos are all now performed successfully. Through

2012 is an exciting time for equine breeders. Reproduction specialists are able to help horse owners not only produce foals that may not have been possible in the past, but also select and manage the genetics of their horses in ways never before available.

Since 2010, several facilities in the United States have acquired the ability to provide these services to horse owners. The technology has also advanced so that the embryo, collected seven days after ovulation, may now be frozen until the genetic testing results are received. For the first time, horse owners can learn the sex, color or presence of genetic diseases of an embryo prior to transferring the embryo into a recipient mare. Prior to these advances, to achieve

acceptable pregnancy rates post-freezing, embryos destined for cryopreservation needed to be flushed from the donor mare on day six, resulting in decreased embryo recovery rates. Now, a mare can be brought to a facility, such as Rood & Riddle Equine Hospital's Reproduction Center in Lexington, Kentucky, and an embryo flush can be performed. The embryo is then shipped to one of the several facilities providing embryo sexing and preimplantation genetic determination where the embryo is biopsied, cryopreserved and then transferred into a recipient once

the genetic testing results are received.

ICSI has also become more widely available commercially and affords mare owners the ability to obtain foals from mares that have not been able to produce embryos or pregnancies successfully. Eggs can be collected from the donor mare, fertilized with a single sperm, incubated, and transferred into a recipient mare. For some mares this becomes the only option for producing a foal.

state of the art Reproduction Center provides services from routine breeding management with cooled or frozen semen to the diagnosis, treatment and management of problem mares. Facilities like Rood & Riddle provide stallion services too, such as phantom training, semen collection and evaluation, processing of semen for cooled shipment and freezing, and diagnosis and treatment of stallions with fertility problems. Rood & Riddle Equine Hospital also

maintains an onsite recipient herd for embryo transfers.

2012 is an exciting time for equine breeders. Reproduction specialists are able to help horse owners not only produce foals that may not have been possible in the past, but also select and manage the genetics of their horses in ways never before available.

the hard work of numerous researchers, these techniques are now available to horse owners commercially, providing new avenues to produce a foal.

On January 27, 2010, the world's first biopsied vitrified embryo foal was born at Minitube International Center for Biotechnology in Mt. Horeb, Wisconsin. The ability to biopsy equine embryos allows for cells to be collected from an embryo and submitted for testing for genetic traits (preimplantation genetic determination) such as gender (embryo sexing), coat color and genetic diseases.

The technology has also advanced so that the embryo, collected seven days after ovulation, may now be frozen until the genetic testing results are received.

## ASHA's Facebook Fans Pick Winner of Inaugural Winter Photo Contest

Photo by Tracey Bavinton

The winning Facebook photo contest entry was Tracey Bavinton's picture of Aust. Platinum Park Kindred Spirit.

By Michelle Krentz

In its inaugural photo contest, the ASHA Facebook Fan Page held a "Winter Photo Contest," inviting Saddlebred enthusiasts from around the world to share photos they had taken of their beloved Saddlebreds. By the deadline for submission on Friday, January 27, an overwhelming 564 photos had been submitted! With each photo, memories, love, and special bonds were shared. Although only one winner could be chosen by collecting the most "likes," each and every picture helped share the wonder of the American Saddlebred.

At the close of the contest on Monday, January 30, the winning entry was Tracey Bavinton's picture of Aust. Platinum Park Kindred Spirit. Of the photo, Tracey said, "We live in Australia and 'Spirit' is my first Saddlebred being targeted toward a dressage career."

Because of the overwhelming response to our first photo contest, we look forward to having more to follow. So stay tuned by following ASHA on Facebook and Twitter at Facebook.com/americansaddlebred and Twitter.com/SaddlebredAssoc, to learn the details of our next contest, and for lots of other periodic information from ASHA!

## Frank S. Vignieri

Frank S. Vignieri, age 73, of Kenosha, Wisconsin, died on December 25, 2011, at his home in Kenosha. Born in Kenosha on October 17, 1938, he was the son of the late Frank and Clara (Misurelli) Vignieri. He graduated from Spencerian College of Milwaukee. On May 28, 1960, at Our Lady of the Holy Rosary Catholic Church, he was united in marriage to Katherine E. Malz of Chicago. She was the love of his life and best friend. They met at a church picnic riding horses when Frank was 13. Their marriage was blessed with three children, and he was a very devoted family man.

He had a very successful career as an executive in the meat packing industry. He grew up in the family business Kenosha Packing Company founded by his parents and led Birchwood Foods where he served as President. It is known today as Kenosha Beef International. In 1976 he continued his career at Wisconsin Packing Company (Emmpak Foods) of Butler, Wisconsin where he spent 27 years and retired in 2003 as Senior Vice President. He was highly regarded throughout the industry with a reputation for building enduring relationships and innovating high quality products.

Frank was also a business partner with his wife, Kathy, in the breeding and showing of American Saddlebred and National Show Horses. In 1970, Frank and Kathy opened their own barn, Bridle Vale Stables. They bought Irish Bourbon, one of the last breeding stallions by Genius Bourbon King and put him under the management of Jan Hoffman. Then they also selected two broodmares from Jim B. Robertson. These mares, Joyful and Mardi Gras Co-Ed, were the foundation mares for many of their show horses to come. At the same time their daughters, Eva and Jenifer, eight and seven respectively, started riding and showing under the direction of their trainers, Geri Schwartzberg Robertson and Dan Evenson. Also at that time, Kathy showed the fine harness horse, Supreme Creation, full brother to <sup>CH</sup>Supreme Airs (BHF).

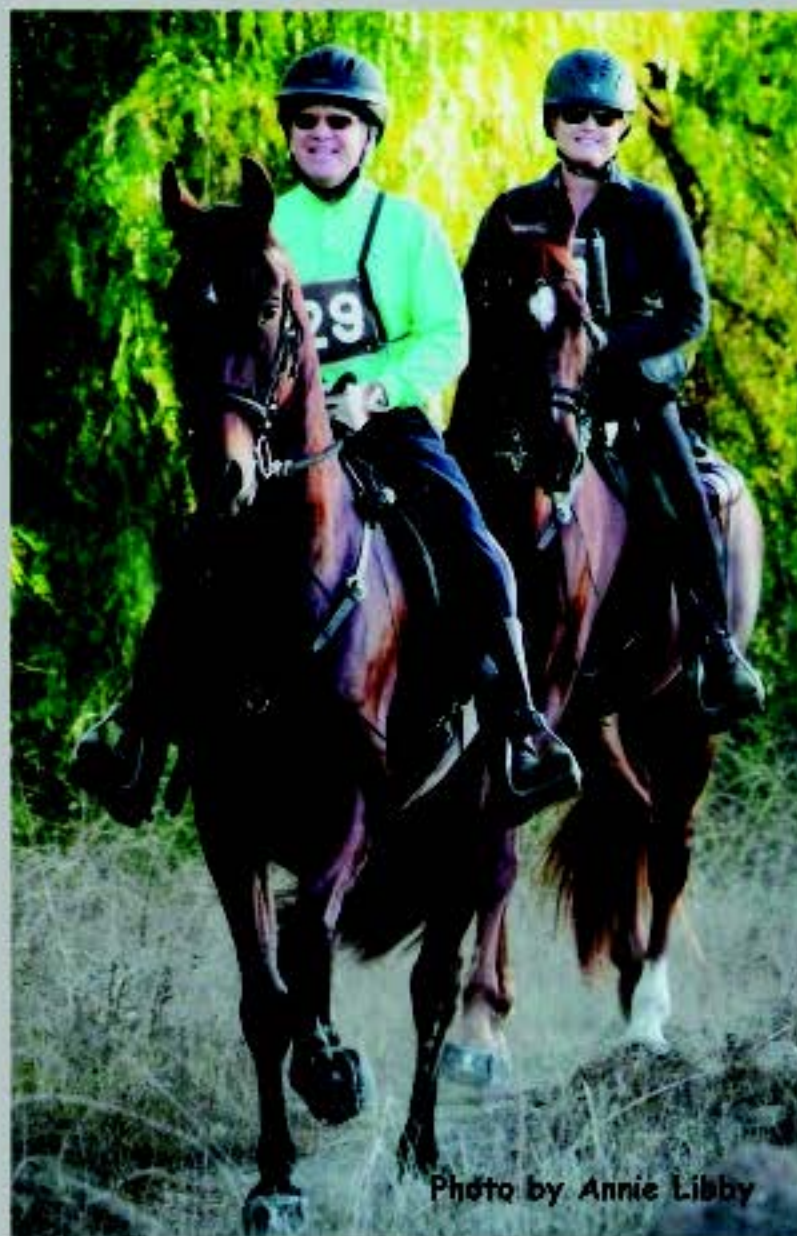

In 1976 they closed their barn and the girls continued their equitation career under Dawn Atlas. Later, and through the years, their family and young horses were associated with Royal Scot Stables under Bonnie Byrne and later at Bonnie's own stable, Stoney Hill Farm with Dave Patton and Steve Joyce, and later at Oakwood Farm with Dave, and VIP Stables with Carl Irwin. Some of the horses raised and shown during these years were Denmark's April Joy, Yes Yes Indeed, Choice's Gypsy Rose, and Work of Art.

More recently their successful breeding stock, such as Vinnie Valone and Vanna Valone, has been trained by their son-in-law Dan Barker at his stable in Waterford, Wisconsin. Dan also trained and showed the very successful National Show Horse, Vito Valone, to many Regional and National Championships.

In 2011, the season was culminated by winning the High Point award of the Mid-America Horse Show Association in the Junior Fine Harness Division with Fire By the Bay who is trained at the Terri Anne Ullman Stables by Jimmy Orphonos.

Frank is survived by his wife Katherine; his three children, Frank N. (Lisa) Vignieri, Eva (Chris) Laurenzi, and Jenifer (Dan) Barker; and his three grand children, Amelia and Amber Vignieri, and Elizabeth Laurenzi. In his memory, the Frank S. Vignieri Memorial Fund for Stem Cell Research for Regeneration of Cardiac Muscle has been established at the University of Wisconsin.

# 2012 BROODMARE HALL OF FAME

By Kim Skipton

In 2012, five mares, Yorktown's Forget-Me-Not, Magic Town, My Bugatti Royale, HMS My Fair Lady, and <sup>CH</sup>Garland's Dream gained entry into the elusive Broodmare Hall of Fame (BHF). For the first time, all five mares have sires tracing directly to six-time Five-Gaited World's Grand Champion (WGC) <sup>CH</sup>Wing Commander through his son and three-time Five-Gaited WGC, <sup>CH</sup>Yorktown. Two are daughters of <sup>CH</sup>Yorktown, two are granddaughters, and one is a great granddaughter.

With the addition of these two daughters, <sup>CH</sup>Yorktown moves up on the list of Top Sires of Hall of Fame broodmares. He now has a total of five BHF daughters and is tied with American Acc. When ranked by percentage of number of BHF mares to number of foals sired, he ranks third behind WGC sires Stonewall Supreme and Anacacho Denmark, and ahead of World's Champion <sup>CH</sup>King's Genius.

The ranking of the top sires of Hall of Fame broodmares follows — giving breeders a chance to see which stallion lines have consistently sired mares that produce the required number of world's and reserve world's champion offspring needed for entry into the Broodmare Hall of Fame.

## BHF Eligibility Requirements

A mare must have produced a minimum of three offspring that have earned a combination of the following titles at the Kentucky State Fair World's Championship Horse Show: three World's Champions; or two World's Champions and one Reserve World's Champion; or one World's Champion and two Reserve World's Champions. In any combination, the mare must have produced three different offspring, each of which must have won one of these titles. The titles are restricted to specific classes, with a minimum of entries, in the five-gaited, three-gaited and fine harness divisions.

In addition, one of the following may replace one World's Champion or one Reserve World's Champion requirement: the mare produced one sire of five World's Champions, or the mare produced one producer (dam) of a World's Champion. The World's Champion-producing son or daughter cannot be the same horse whose win is counted toward Broodmare Hall of Fame status. More information on the Broodmare Hall of Fame program can be found in the 2012 American Saddlebred Reference Directory.

## <sup>CH</sup>GARLAND'S DREAM (BHF) 121415, FOALED 5/27/91

HARLEM GLOBETROTTER X ROSE GARLAND GTR\* BY LONGVIEW'S SUPREME\*

Bred by Paul Hamilton of Springfield, Kentucky, <sup>CH</sup>Garland's Dream is the second daughter of WC sire WC Harlem Globetrotter to enter the Broodmare Hall of Fame. Harlem Globetrotter has sired over 30 different WC winners and is the broodmare sire of 37 producers of Kentucky State Fair (KSF) first or second place winners. His sire, New Yorker, has three daughters in the Broodmare Hall of Fame, grandsire <sup>CH</sup>Yorktown has five, and great grandsire <sup>CH</sup>Wing Commander has six, tied with his sire <sup>CH</sup>Anacacho Shamrock. Along with WGC five-gaited horses on his top side, Harlem Globetrotter's pedigree also features Fine Harness WGC Supreme Airs on his bottom side.

<sup>CH</sup>Garland's Dream is the only foal of her dam Rose Garland GTR, the 1983 WC Three-Year-Old Five-Gaited Mare. Her second dam, Portrait In Blue is also the dam of (SA) Quakertown

(by <sup>CH</sup>Yorktown) that was exported to South Africa and features in the pedigrees of imported sires (SA) Molligny Don't Worry Be Happy and (SA) Dellview Dare Time. Her fourth dam is

Miss Pridget, dam of top show horses <sup>CH</sup>Mountjoy's American Aristocrat and Coe's Royal Echo, and her fifth dam is Hall of Fame broodmare Mary's Heart. Rose Garland GTR is sired by Longview's Supreme (<sup>CH</sup>Valley View Supreme x A Sheer Delight by King

Coe), sire of WC <sup>CH</sup>Chat, WC <sup>CH</sup>Elation GTR and WC <sup>CH</sup>Belle Supreme GTR (BHF), etc.

Following in the footsteps of her WC winning parents, <sup>CH</sup>Garland's Dream began her show career winning the 1994 National Three-Year-Old Five-Gaited Futurity. Purchased by Lynn and Peter Via's Fox Grape Farms, she would go on to win a world title in the KSF Five-Gaited Junior Mare Stake, four world titles in the KSF

Five-Gaited Mare Stake and was twice crowned Five-Gaited WGC. There are 18 different Hall of Fame broodmares in CH Garland's Dream's five-generation pedigree, along with three Five-Gaited WGCs, two Fine Harness WGCs and one Three-Gaited WGC. Her five-generation pedigree is extremely well balanced with WGC's in all three divisions, the "golden cross" and added gameness from both Stonewall Supreme and King Coe. While competing in the show ring, CH Garland's Dream had her first two foals via embryo transplant. Her last show ring appearance was in 2000.

In 2010, her sixth foal, Fox Grape's Imprimis (by WC sire Undulata's Nutcracker), became the first of her foals to win a world title when he won RWC in the National Three-Year-Old Three-Gaited Futurity. In 2011, Undulata's Dream Team, embryo transplant full brother to Fox Grape's Imprimis and born just one day after him, became the World's Champion Junior Three-Gaited Over-Two. Undulata's Dream Team had previously won a world's championship in the Kentucky Futurity Open Weanling class, but wins in in-hand classes don't count towards inclusion in the BHF. Once again a winning futurity foal went on to win in the performance division.

CH Garland's Dream now needed just one more of her offspring to win a world's championship title, and it happened that week and in a big way. Her fourth foal, Fox Grape's Dauntless (sired by the Via's own recently deceased stallion (SA) Dorian Wild Temper) won the Five-Gaited Ladies Gelding WC and to really keep it all in the family, Lynn Via's

daughter, Owen Weaver, was aboard. CH Garland's Dream joins her relatives Five-Gaited WGC Edna May (BHF) and Five-Gaited WGC CH Belle Le Rose (BHF) in an elite group of Five-Gaited World's Grand Champions that are also in the Broodmare Hall of Fame. She is still owned by Fox Grape and her last foal was registered in 2010.

Commander x Princess Delaine by Genius Bourbon King). The resulting foal, her second, was My Fair Genius, the 1996 WC Fine Harness Stallion/Gelding. Her second qualification for the BHF came in 2009 when her daughter Thunder's Fair Lady (by Attache's Thunderbolt) was RWC Five-Gaited Three-Year-Old Mare. Thunder's Fair Lady was also reserve in the Junior Five-Gaited Mare class the following year. In 1999 a full sister

to WC My Fair Genius was foaled. My Fair Princess Genius was never shown, but when bred to WGC sire WC Harlem Globetrotter, produced Prom Dress, 2011 WC Three-Gaited Junior Exhibitor 14-17 Division II. This win earned HMS My Fair Lady the last qualification needed to become a Hall of Fame Broodmare. The Currey family's Cross Timbers Enterprises, Inc. is her recorded owner and her last foal was registered in 2006.

Magic Town's second foal, <sup>CH</sup>Santana's Sage was the 1984 WC Five-Gaited Two-Year-Old.

The second daughter of <sup>CH</sup>Yorktown to enter the Broodmare Hall of Fame, Magic Town is another top producing broodmare with no show record of her own. She is line bred to <sup>CH</sup>Anacacho Shamrock. Her dam, Contract's Wild Rose, is by WC sire Private Contract (full brother to <sup>CH</sup>Wing Commander). Her second dam is by WC Five-Gaited Gelding Beau Gallant, son of Anacacho Princess (BHF). Magic Town's very first foal, <sup>CH</sup>Jac Lu Mar's Mountain Contract (by Handley's Contract), was the 1983 Reserve World's Champion Five-Gaited Two-Year-Old. Her second foal, <sup>CH</sup>Santana's Sage (by Sultan's Santana) was the 1984 WC Five-Gaited Two-Year-Old. These two five-gaited winners, each with a different sire, gave Magic Town a great start on her journey to the Broodmare Hall of Fame. <sup>CH</sup>Santana

Sage, as game and gutsy as his breeding suggests, went on to win another reserve world's championship title and was 1988 WC Five-Gaited Ladies Gelding. However, the elusive third WC or RWC winning offspring remained out of reach for Magic Town for another 24 years.

Diamond Lou, a full sister to <sup>CH</sup>Santana Sage, was foaled in 1984. Her biggest show ring victory came in 1991 when she won a novice five-gaited class at Rock Creek. Retired to the broodmare ranks she produced several

foals with show records. Her sixth foal, Most Definitely Diamonds (by Attache's Royal Assets) won the 2011 Five-Gaited Ladies Amateur Mare World's Champion. With this win, Magic Town now had one world's champion son, one reserve world's champion son and a daughter who produced a world's champion, enough to earn her a place in the Broodmare Hall of Fame. With five-gaited winners galore and multiple traces to Five-Gaited WGC Bourbon King it is easy to see why all of her

qualifying offspring are five-gaited. Her papers show the major Rex Peavine son, King Vine, on both the top and bottom. She also has 10 different Hall

of Fame Broodmares in her pedigree.

Jeffery Howell of Jackson, Kentucky purchased Magic Town as a three-year-old broodmare prospect in 1977 from

her breeder, George T. McLean, of Portsmouth, Virginia. She remained under Howell's ownership for the rest of her life. Her last foal was born in 1995.

Bred by the A.G. McNeese, Jr. Estate of Houston, Texas, My Bugatti Royale is by the colorfully-marked RWC Fine Harness Stallion/Gelding Local Hero. Her dam is the beautiful black Bi-Mi Replique, winner of the ASR Kentucky Futurity Yearling Open class. Local Hero is a product of the famed <sup>CH</sup>Yorktown x Denmark's Bourbon Genius cross. He is by <sup>CH</sup>Yorktown and out of Barham's Reality (BHF), making him a full brother to twice WGC Three-Gaited <sup>CH</sup>Home Town Hero and to Hometown Belle (dam of both the many-time Ladies and Amateur Fine Harness WC <sup>CH</sup>The Homecoming Queen and multiple five-gaited WC <sup>CH</sup>The Homecoming Hero). He also traces to tough-as-nails Stonewall King through his dam.

Bi-Mi Replique is by a son of Night Of Folly (by Society Rex) and out of a Vanity's Sensation mare, giving her both gameness and exquisite beauty, which she passed to her offspring as seen in My Bugatti Royale's half-sister, 1991 Three-Gaited 15.2 & Under WC and RWGC Mini Griggs. Kalarama Rex appears twice in the fifth genera-

tion of her dam side. When shown under her original name, Tituba SC, My Bugatti Royale was the 1994 RWC Fine Harness Two-Year-Old Mare. She was the first RWC sired by Local Hero, and she is his first BHF daughter. She went on to win the 1996 WC Junior Fine Harness Stake. Fine Harness WGC Bourbon Genius appears in her five-generation pedigree twice, and her dam traces to multiple Fine Harness WGC <sup>CH</sup>Meadow Vanity. With relatives like that, it's no wonder she was a fine harness WC herself.

Entering the broodmare ranks in 1998, My Bugatti Royale produced just 7 foals. Her first foal is current breeding stallion Jon Bugatti (sire of WC Kent Brockman) and her second foal is the winning three-gaited Charm's Royale. It was her 2001 foal by WC sire WC Santana's Charm, that gave My Bugatti Royale her first BHF qualification. <sup>CH</sup>Our

Charming Lady was not only the 2007, 2008 and 2010 WC Ladies Three-Gaited, but also the 2009 Three-Gaited WGC. A repeat breeding of My Bugatti Royale to Santana's Charm produced full brother, I'm Royalty Too, the 2008 Five-Gaited Ladies Stake, Division I WC, earning My Bugatti Royale her second qualification. The <sup>CH</sup>Yorktown x Sultan's Santana cross (a version of the modern day "golden cross" of <sup>CH</sup>Wing Commander x <sup>CH</sup>Valley View Supreme) had proven to be a good one, so the breeding was repeated again, resulting in the last foal on record for My Bugatti Royale. That colt, stallion son My Royale Charm, (full brother to Our Charming Lady and I'm Royalty Too) was RWC Five-Gaited Junior Stallion/Gelding Division II in 2011. Bridget Mills Parker of Versailles, Kentucky is the last owner on record of My Bugatti Royale.

“ It was her 2001 foal by WC sire WC Santana's Charm (<sup>CH</sup>Our Charming Lady), that gave My Bugatti Royale her first BHF qualification.

The most prolific of our 2012 BHF inductees, Yorktown's Forget-Me-Not produced 19 foals. Bred by Terry Livingston of St. Paul, Virginia, *Forget-Me-Not* was purchased by Larry Hartsock of Castlewood, Virginia with her fourth foal by her side. The colt, <sup>CH</sup>Walterway's Remember Me, was sired by Hartsock's own breeding stallion Star Material (Talent Town x Gold Star's Ballerina by Stonewall's Main Event). *Remember Me* won his first world's championship in the 1999 Kentucky Amateur Weanling Futurity. In-hand

wins do not count toward BHF status, but *Remember Me* proved that top futurity foals can make top performance horses. He won not one but nine world's championship titles in the ladies five-gaited division, giving his dam her first BHF qualification many times over.

*Forget-Me-Not* is a daughter of <sup>CH</sup>Yorktown and some might have questioned the mating of a <sup>CH</sup>Yorktown mare to Talent Town (<sup>CH</sup>Yorktown x Chantilly Rose by Denmark's Bourbon Genius). Call it line breeding or inbreeding, either way it worked. Hartsock continued to repeat the same successful breeding, resulting in 10 more full siblings to *Remember Me*. In 2009, full brother Walterway's Pardon Me bested a class of 19 to be crowned World's Champion (WC) Junior Five-Gaited Stallion/Gelding, giving his dam her second qualification for BHF. In 2011 a full sister, Walterway's What About Me — was reserve in the Five-Gaited Mare Stake, earning the final qualification needed to elevate her dam to BHF status.

*Forget-Me-Not* features five different Five-Gaited WGCs in her five-generation pedigree, so it comes as no surprise that all her BHF qualifying offspring are five-gaited. Her dam, Pretty Pretty, is by WC sire Anacacho Empire, son of Anacacho Denmark (broodmare sire of <sup>CH</sup>Yorktown) and is out of Golden Dawn's Genius (BHF). Nine other Hall of Fame broodmares appear on her top line. In the fourth and fifth generations of her pedigree we find both Five-Gaited WGC Edna May's King and his sire Five-Gaited WGC Bourbon King

numerous times. Anacacho Denmark, paternal half-brother to <sup>CH</sup>Anacacho Shamrock appears on her dam side.

Though she had no show record of her own, Yorktown's Forget-Me-Not inherited the gene for five-gaited powerhouses and passed it to her offspring. With the exception of one daughter kept back as a broodmare, each of her 11 foals by Star Material has a show record, most in the five-gaited division. Her broodmare daughter, Walterway's Especially Me, is already the dam of Walterway's Sam-Me, 2011 Lexington Junior League UPHA Three-Year-Old Five-Gaited winner. *Forget-Me-Not* is still owned by Larry Hartsock and her last foal was registered in 2007.

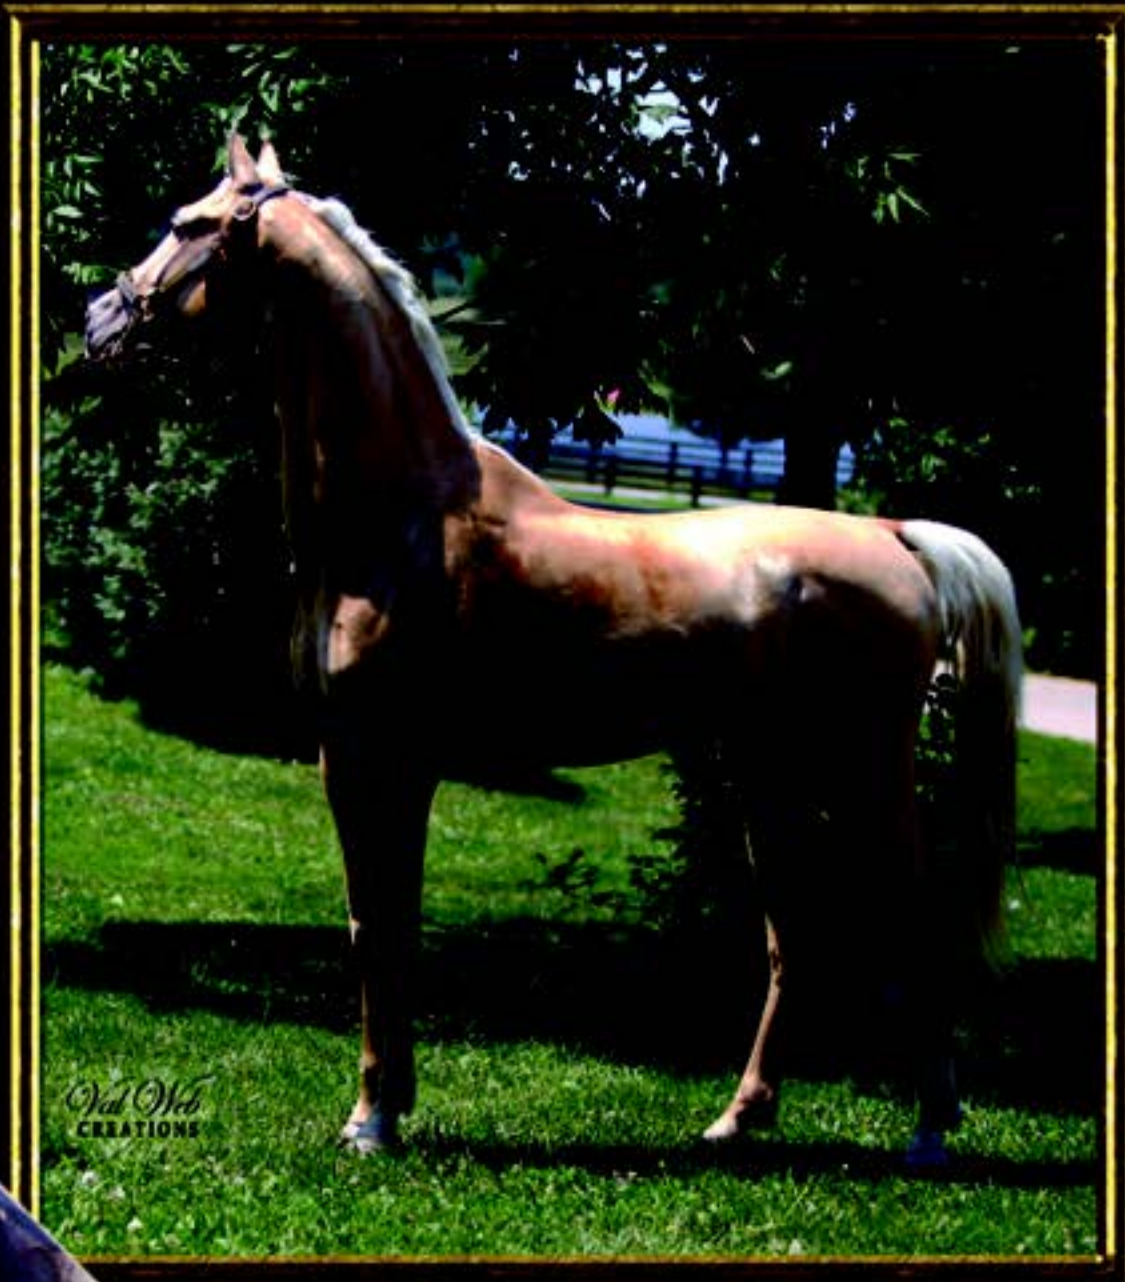

There you have it — five additions to the Broodmare Hall of Fame. Three were unshown, one was a world's champion in fine harness, and one was a two-time Five-Gaited WGC. One had 19 foals, one only 7. Some had winning offspring that qualified them quickly; one mare took 24 years to reach BHF status. Some had qualifying offspring that were full siblings; others had offspring by several different stallions. Two have the modern-day "golden cross" of <sup>CH</sup>Wing Commander x Valley View Supreme, two dou-

bled up on <sup>CH</sup>Anacacho Shamrock through his paternal brother Anacacho Denmark on their dam side, and one brought in a double dose of Kalarama Rex on her bottom side. All unique, yet each mare traces directly through her sire line to <sup>CH</sup>Wing Commander through his son <sup>CH</sup>Yorktown. Coincidence? Possibly. Next year's crop of Broodmare Hall of Fame mares may go another direction entirely, but if you have a broodmare bred like any of the mares above, you might want to hang onto her.

## Revisiting the Weekend's Array of Round Tables

*New this year were the Round Table discussions that took place on Friday afternoon and Saturday morning. Round Table attendees were able to rotate through each discussion and ask questions of the industry experts after their presentations.*

By Michelle Krentz

Friday afternoon's topics included *Your Guide to Stress Free Registry Transactions*, *ASR/ASHA Prize Money Programs*, *Marketing With Technology*, and *Ups and Downs: Starting and Sustaining Riding Programs*.

Registry staff member, Katriona Adams and Registry President, Lisa Duncan took attendees through a PowerPoint guide of how to easily find and fill out Registry forms. The goal of this round table was to help those interested learn how to facilitate the Registry documents on [www.saddlebred.com](http://www.saddlebred.com), and to ensure that all of their Registry transactions move along smoothly and easily.

Duncan

In the *Prize Money Programs* round table, Smith Lilly represented ASR Futurities, Bill Wise represented the sweepstakes program, Susan Harris represented the ASHA High Point program, and Cheryl Frank represented the Sport Horse Incentive Program. With the assistance of a PowerPoint presentation, each speaker took the crowd through the ins and outs of each prize program, instructing attendees in how these programs work and how to be successful in them.

Jackie Hale, of Southern Saddlebred Sales and USEF's Kathy Meyer spoke to an eager crowd about how to boost their equestrian programs into the 21st century by marketing with technology. Jackie Hale spoke to attendees about how to effectively utilize social networking, create and share sales videos, and easy ways to create

websites. Kathy Meyer discussed the ways USEF is paving the way for the equine industry's technology usage, as well as what USEF can do to help with promotion.

Scott Matton, Georgia Morrison, and Betsy Webb discussed how to create a riding program, how to organize and schedule a large lesson program, and how to transition your academy and lesson riders into American Saddlebred owners and showers. They also mirrored some of Jackie Hale's advice on how important social media is in promoting, celebrating, and connecting your riding program.

Saturday morning's round table discussions included *Everything You Want to Know about Bits*, *An Athlete is an Athlete: Marketing Saddlebreds to the Sport Horse Community*, and *Smart Breeding: Knowledge for Your Bottom Line*.

Nelson Green, Jim and Fay Lowry, and Todd Miles discussed bits with a studious crowd. Each person chose their most treasured bits from their storied tack rooms to share and describe their benefits, and which types of horses they work best on. Jim Lowry discussed which snaffle bits are best to start colts out with, Nelson Green shared his knowledge on curb bits, Todd Miles explained to the crowd how he prepares his horses' mouths for their amateur and juvenile mounts, and Fay Lowry shared which bits are best for western and hunter horses.

The extended sport horse round table discussion brought in

experts from a wide array of disciplines to discuss with an enthusiastic crowd about how to market American Saddlebreds to the sport horse world and what to look for in your prospect. Julie Lynn Andrew and Paula Briney discussed dressage, Kathie Dunn shared her knowledge of Western Dressage, Carol Jones and Tom Thorpe shared their secrets to success with Hunter and Western Pleasure horses, Darryl Leifheit and Sterling Graburn took the crowd to the world of combined driving, and Lisa Siderman described why Saddlebreds are great distance riding horses. Each expert's discussion was accompanied by a photo-heavy PowerPoint that really helped the crowd to visualize what they were learning.

Siderman

The University of Kentucky's Dr. Ed Squires, Three Chimneys Farm's Tony Burton, and 3-T Farm's Hillarey Whitaker discussed every aspect of equine breeding, from pedigree planning to conception to raising a strong and healthy foal. They also answered questions from an intrigued crowd and were happy to share their wealth of knowledge.

Squires

Feedback for these discussions was incredibly positive and we look forward to having the Round Tables again next year. If you have any ideas of what topics you'd be interested in for next year, please let us know!

# Convention Meets the Legends of Saturday Night

Photo by Michelle Krentz

Fifteen past trainers of Five-Gaited World's Grand Champions told their heartfelt tales to a sold-out convention crowd of more than 250 people. Afterward, the group signed commemorative posters, shown below, that were designed by Doug and Shane Shiflet featuring their famous mounts.

By Michelle Krentz

On Saturday afternoon, 15 past Five-Gaited World's Grand Champion trainers graced a sold-out crowd of over 250 people with their presence and wonderful stories. Each trainer discussed their winning horses, as well as some that came very close to taking home the roses. The trainers' heartfelt stories had attendees laughing and crying.

The legends who attended the event and shared their stories included David Becker, Mitch Clark, Peter Cowart, Redd Crabtree, Lynda Freseth, Don Harris, Larry Hodge, Smith Lilly, Dena Lopez, Todd Miles, Merrill Murray, Jack Nevitt, Lee Shipman, Ed Teater, and Bill Wise. It was an event that will not soon be forgotten.

Following questions from host, Bob Funkhouser, the legends took questions from the crowd before they headed to the hall to autograph the posters of the 25 horses shown by the 20 living trainers, compiled and designed by Doug and Shane Shiflet featuring their

famous mounts.

Because of the event's popularity, plans are currently in the works to have another *Legends of Saturday Night* luncheon at next year's convention, featuring the Three-Gaited World's Grand Champion trainers.

# Saddlebreds for All Ages

By Ricky Drew

The Charter Club Council *Saddlebred for All Ages* committee presentation at the ASHA Convention hit on points highlighting show and charter club activities which would help promote the American Saddlebred to the mainstream equine industry.

Committee Chair Ricky Drew gave the presentation on behalf of the committee. Some of the highlights of the program included the following:

## Shows

Make sure all shows are holding lead line and walk-trot/jog (beginner) classes. Encourage shows to offer walk-trot/jog in three age divisions: 10 Years and Under; 11-17 Years; Adult. If possible (if entries will support it), break into disciplines of Saddle Seat, Western and Hunt.

Encourage shows to hold Masters Classes in all Saddlebred divisions (Masters being riders 50 years of age and older).

## Charter Clubs

Encourage clubs to offer year-end awards for Lead-liners and Walk-Trotters, both on Saddlebreds and other breed horses (two separate divisions). Reasoning: get junior riders involved in a Saddlebred club and when they are looking for a canter/lope horse, they won't want to leave the club, thus they look for a Saddlebred.

Encourage clubs to offer year-end awards for Masters Division. Offer the year-end award by point total in two categories: all Saddlebred breed classes; riding a Saddlebred in open classes. Reasoning: in some regions there are not enough Masters on Saddlebreds to put classes into shows yet, but by adding these two year-end awards it will create more interest in Saddlebred clubs.

Encourage clubs to offer year-end awards in Trail Riding: Based on mileage and age division. We suggest breaking it into Juniors

(under 18), Adults and Masters. Offer certificates at certain mileage, plaques at milestone mileages, and trophies for high miles in each age category.

Encourage clubs to offer year-end awards where a horse is nominated for non-traditional categories. Offer awards competing outside the traditional show ring and trail rides. This includes dressage, eventing, jumping and competitive driving. These awards are not based on points. The horse is to be nominated by any member and presented to the board of directors one month before the banquet to be considered. The board may award any number of these awards based on the nominations.

## Other Promotions

Encourage clubs and stables to do a free introductory lesson program. At Equine Affaire in Massachusetts three years ago, the ASHA booth introduced such a program in which 18 stables in New England were involved. Anyone who has not ridden a Saddlebred is encouraged to sign up, and we then match them up with the stable closest to them for a free introductory lesson. We post the stables info at the booth so they get some publicity also, and we do a flyer listing all of the New England Saddlebred barns. We feel if we can help get the rider into a Saddlebred facility, then the trainer/instructor has a shot at keeping them as a client, and eventually they will own Saddlebreds. (We also suggest a school program similar to this that the stables use with local schools.)

**Petting Stalls:** If you are running any public event such as a booth at Equine Affaire, use a petting stall. This shows the public the friendliness of the American Saddlebred, and works very well with children becoming interested.

**Demonstrations:** If you are conducting a demonstration while promoting the Saddlebred, try to involve every aspect possible. Get everything/everyone involved in

the demo, from lead line to five-gaited, and EVERYTHING and EVERYONE in between, including driving. Show all ages and aspects of the American Saddlebred! If you have time, even include a jump or two for hunter, and an obstacle or two for trail horses.

The Saddlebred for All Ages presentation was well-rounded, and should help create many more ideas for shows and charter clubs to help grow their attendance and membership.

## Summary of Committee Meetings

Compiled by Michelle Krentz

**Association, Registry, and joint committees are advisory in nature. Therefore, "decisions" made at the committee level are forwarded to a respective board of directors for further consideration and final approval or revision.**

### Breeders Committee

The committee gave a brief review of business that was discussed in 2011. Mr. Crabtree reported on the recommendations that were previously submitted by the committee for Breeder of the Year and Breeders Hall of Fame.

Ms. Gatlin reported on the subcommittee that was established to review and make changes to ASHA Reference Directory. It was stated that while some information was eliminated from the directory, it had been posted on the ASHA website. These changes resulted in a substantial cost savings.

Ms. Musselman raised new business regarding forum and choice of law clauses that should be con-

sidered for all stallion breeding and/or embryo contracts. Such clauses would allow for any legal action to be held in the home county/state of the party that is being sued.

### Equine Welfare Committee

One grant recommendation was sent in 2011 to the ASHA board and approved. New Business: Looking for new ways to reach out to those in need through Charter Clubs and UPHA Chapters. It was also discussed about possibly offering free membership to ASHA Charter Clubs for those who have adopted Saddlebreds from "recognized" rescue groups. Mark and Neila McCracken offered to put together a "how to" book for a small-scale breeder to know how to best do a dispersal and what the pitfalls are. Saddlebred Rescue will offer to help put this together as there are reliable sources available. This would be an ASHA publication.

### Grand National Committee

Mr. Crabtree reported on the statistics and history of the Grand National program. The status of

the restructure proposal that the committee had been working on for the last year with a consultant was also discussed.

### Kentucky and National Futurities Committee

Mr. Lilly reported on previous business that the committee had discussed which included the addition of a rule for mares producing twins, addition of a USEF rule for the National Three-Year-Old Futurity Park class, weanling payment/foal registration deadlines and the division of classes for the Two and Three-Year-Old Futurity Fine Harness classes.

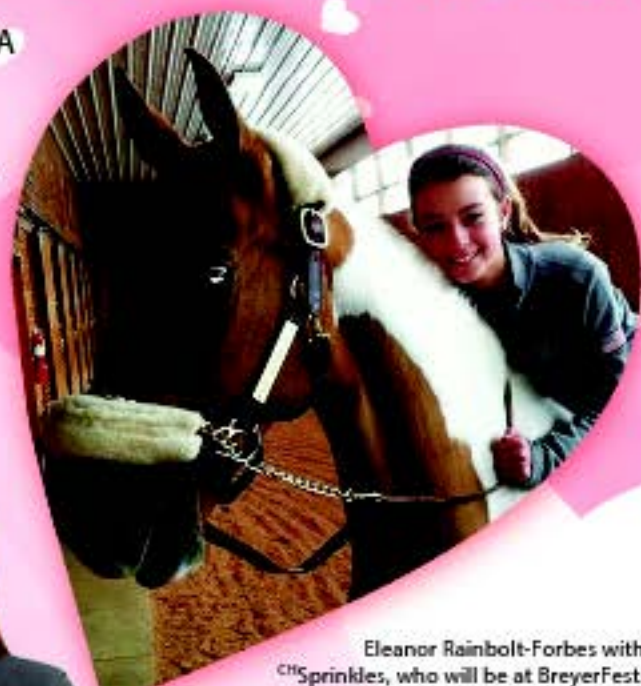

Ms. Edwards addressed the committee regarding the possibility of combining the weanling payment and mare nominations due to the similarity of due dates for weanling payments, foal registration for weanlings showing and Kentucky State Fair's entry closing date. The committee felt this may discourage breeders from nominating their mares. The committee agreed the grace period deadline for weanling payments and foal registration deadline should be the same as the Kentucky State Fair first entry closing date.

## PROMOTE YOUR LOVE OF SADDLEBREDS!

Ky. Horse Park

## Pleasure Disciplines Committee

Mr. Matton explained that we have received a request to add a Juvenile Five-Gaited Pleasure Division to the State Pleasure Horse Awards. After discussion, Ms. Crumpler moved that we recommend to the Board that a Juvenile Five-Gaited Pleasure Division be added to the State Pleasure Horse Awards. The committee also asked that we make sure we have awards categories for Country Pleasure 17 and under and for Country Pleasure 18 and over.

Ms. Bradshaw asked the committee to consider adding a Saddlebred Pleasure - Walk-Jog class to the rules. Discussion took place regarding the draft class specifications she provided. After consideration, Ms. Thompson made a motion to recommend to the Association Board that class specifications for Walk-Jog Western Pleasure be added to the USEF rules for a Walk-Jog Western Pleasure class, Ms. Boone seconded and the motion was passed with all in favor.

Mr. Matton explained the background on the change in the rules and the point system for the Saddlebred Record Program for the Country Pleasure Division which was implemented effective December 1, 2008. Ms. Todd is requesting that this system be implemented retroactively back to the start of the program. There are a number of deceased horses that might have been eligible for Saddlebred Record under this system. After discussion, it was suggested that we ask the Registry Board to consider allowing owners to request that points be calculated under the system in place prior to December 1, 2008 for an additional fee of \$100 or so. The committee agreed to table this matter for now.

Mr. Matton reported that the National Championship Pleasure Equitation Class has been awarded to the Wisconsin Futurity; however, the management is willing to give it up. He is requesting approval to move this class to St. Louis. Another judge would be added to the show.

After discussion, Ms. Thompson made a motion to ask the Board to move the class to St. Louis, Mr. Thorpe seconded and the motion passed with all in favor.

## Sport Horse Committee

Ms. Frank explained the history of the Sport Horse Incentive Program which is somewhat based on the Young Jumper Program. It is designed to reward enrolled horses based on the number of points earned in a show year which is December 1 - November 30. Some committee members participated in the program in 2011 and talked about their experiences. 17 horses were enrolled in 2011. It was agreed that we need to market the program to new owners.

Ms. Thompson talked about a project that the committee is working on to help breeders and owners to be able to properly identify what discipline a horse might be suited to. We have been asking willing professionals to complete a form and submit it to the office so that we can develop a list of professionals by state and by discipline. The list includes contact information. The concept is that you can contact a professional in your area and they can tell you what discipline your horse might be suited for and also tell you what level the horses might be able to go to.

Ms. Frank provided some information on marketing to the Jumper Community, including some articles on striving for success in show jumping and shopping for a jumper prospect.

The committee talked about a desire to have a section of the website devoted to Sport Horses that could be interactive. Committee members could respond to questions submitted. A discussion took place regarding marketing Saddlebreds. One idea was to have t-shirts identifying your horse as being a Saddlebred and listing the website address. They also discussed sending blogs out on various Sport Horse topics.

Ms. Thompson explained the format of the Round Table on Marketing to the Sport Horse

## Strategic Planning Committee

There was a brief summary of work by the committee since its formation in July 2011. The committee discussed the formation of a "Young Person" Committee, a rewriting of the Mission Statement, and a strategic plan (to be coordinated with Marketing Plan and Business Plan).

There was also discussion involving revisions to bylaws, and job descriptions, where needed. Discussion also included identifying and developing additional policies and procedures for ASHA where needed (such as policies on Charter Clubs, Competitions, New Board Member Orientation, and Membership Rules).

The conference call and in-person meeting schedule for 2012 was also discussed.

Breeders of Exceptional American Saddlebreds

## 2011 Breeder of the Year: Elisabeth Goth

The recipient of this award is determined based on a statistical analysis of their show performance throughout the competition year, relying on records produced by the American Saddlebred Registry.

All have enjoyed watching this year's recipient, Elisabeth Goth, grace the showring with her presence. Whether riding her grand string to perfection or driving her lovely Saddlebreds, Hackneys and Hackney Ponies in perfect style, she is always a showstopper. Her dedication to owning quality

Photo by Gayle Strickroot

American Saddlebreds is not left at the outgate though, her dedication extends to the breeding shed as well, where she has bred such horses as Enzo, Hollywood Agent and <sup>CH</sup>Glinda The Good.

## World's Grand Championship Ring Merrill Murray

The presentation of this year's World's Grand Championship Ring may have felt a little bit like déjà vu to those who also attended the previous two years, but you can rest assured the only thing repetitive about this year's recipient is his success in the show ring.

Each year, the rider of the previous year's Five-Gaited World's Grand Champion is presented with a diamond ring honoring his or her championship performance

at the Kentucky State Fair World's Championship Horse Show.

This year's recipient of this coveted prize, just as in the previous two years, and once again for a winning ride atop Courageous Lord in the Five-Gaited World's Grand Championship, is Merrill Murray.

## <sup>CH</sup>Wing Commander Medal: Ronald Merwin

Named after the historic five-gaited American Saddlebred stallion who claimed the Five-Gaited World's Grand Championship

six consecutive years between 1948 and 1953, the Wing Commander medal is awarded to an ASHA member who has advanced the popularity of the Saddlebred in the eye of the public by outstanding service and dedication to the Association and breed.

While you may not all recognize his name or face, without him, the youth programs would

Photo by Gayle Strickroot

not be what they are today. Ron Merwin's tireless efforts for ASHA Youth help to raise money for scholarships and create fun and educational activities for the kids, while promoting youth involvement for the breed. While his efforts may seem thankless at times, he does it all with a smile.

## Lifetime Achievement Award: Dick Boettcher

Gayle Lampe, left, and Avis Girdler, right, congratulate Dick Boettcher on being selected the 2012 ASHA Lifetime Achievement Award winner.

Photo by  
Gayle Strickroot

Growing up in Columbia, Missouri, Dick Boettcher attended the 'Farmer's Fair' at the University of Missouri. It was there that he saw a walk-trot pony that caught his eye named General Ike. From then on he was hooked on horses.

During his high school years he started working for Bob and Anne Boettcher at their stable at the Boone County Fairgrounds. He lived and worked with the Boettchers, and this led to them adopting him. They then moved to Minnesota, where Dick finished high school and went on to college. He then spent two years at Gustavus Adolphus College in St. Peter, Minnesota where he studied pre-law. He soon realized that his love of horses was stronger than his love of law, and he returned to working with horses full time. During his years in Minnesota, the Boettchers' top horses included Stonewall's Beau Peavine, Intoxication and Royal Jester.

Feeling the need to get work experience with other trainers, he got a job with Fritz Jordan at Hayfield Farm in Kentucky where he worked for about three years. Shortly thereafter, Dick decided to open his first public training stable in Bellefontaine, Ohio. He later noted, "I found out I didn't know as much about the most important part of the horse business — dealing with customers!"

After making a go of it, Dick opted for more experience with

other horsemen. First he went to work with Ellis Waggoner at Brownview Farm in Murfreesboro, Tennessee. There he met Bob Lewis. They talked and Lewis hired him over the phone to work at Silver Lining Stables, then in Rancho Santa Fe, California. While he was Lewis' assistant trainer there, Dick noted their stable's strength, "We were very dominant, so much so that other barns were intimidated. One year at Santa Barbara, we won every Saddlebred class except for one second."

After his stay at Silver Lining Stables, Dick went onto being hired by Mrs. William Roth's Why Worry Farm. From there it was a move up the coast to the Menlo Circus Club, at that time the home of Brigadoon Stable. It was a short stay, and then he moved to Kentucky. He spent time working with Bob Whitney before moving back to Minnesota to work for Paul Preibe. Although he grew up in Minnesota, he said, "I got tired of working horses with their saliva freezing to the bits!"

So he moved a little south to work for Dr. Alan Raun at Reedannland. Dick has said of Doc Raun, "In my estimation, he is one of the finest gentlemen who has ever been in the horse business." Dick worked for Doc Raun for nearly a year, when he got a call from Betty Miller, owner of Silver Lining Stables. They had moved near Danville, Kentucky, and Doc

Raun advised him to take the job. Dick was there for 12 years.

Working at Silver Lining meant being involved in every aspect of the horse business. There were times when there were four stallions and 30 broodmares. Their show string performed at a high level for decades. Horses such as Oh, Lady Be Good; Dutchman's Gold and <sup>CH</sup>Chalton's Half Angel joined the list of stars that included <sup>CH</sup>You Are Love before the move from California. Half Angel was also versatile. Dick showed Half Angel to victories in the Kentucky County Fair Championships at Louisville, winning in each division in three consecutive years. In 1976 it was the Five-Gaited division, followed by the Three-Gaited, and then the Fine Harness.

In 1979, another opportunity came his way, when Ed Bennett introduced Dick to Darlene Miller and he moved to Sunny View Farm, where he was until July of 1980. Dick said, "I had fallen in love with the Northwest and decided this is where I wanted to spend the rest of my life... I took a gamble and went into public training in the Seattle area. My first barn was in Kirkland and my first customer, Misha Leendertsen, is still with me."

Of course he is rightly proud of the horses he started and developed. Some of the top horses are <sup>CH</sup>Doubletrees Steel The Show, <sup>CH</sup>Rejoice, Dutchman's Gold, SLS Sportin' Life, and Very Good Eddie. Of the Northwest, Dick has said, "Being here in the Northwest afforded me the opportunity to have some of the best horses of my career... some of the best in the country! Linda and Olen Wilford gave me the opportunity to have <sup>CH</sup>Be Happy. Other great ones are Popeye and Harley Hey."

Dick is proud of the way the Saddlebred business has grown in the Northwest over the last 25 years. Lately he's enjoyed judging, and after all it has all come back to the horses. Dick explains, "I love my horses and am grateful—everything is because of the horses."

## A Fun-Filled Field Trip Highlighted the Weekend

By Brooke and Erika Whitney

As members of the Valiant Stables Youth Group in Stillwater, Minnesota, we were able to attend this year's ASHA Convention and Youth Conference held in Lexington, Kentucky. There were seven girls from our youth group who went to Kentucky, and we all were really excited to go on the field trip and see the barns and horses that were there.

The first thing we did as part of the conference was go to the pizza party. After that, we went to the Kentucky Horse Park to the Museum of the Horse. There were a lot of interesting things there including a huge statue of the Arabian horse Bask, and many trophies from famous race horses.

Saturday morning we started the field trip. The first farm we went to was Hillcroft Farm in Paris, Kentucky, owned by Misdee Wrigley Miller. The first thing we did was have some cookies and hot cider. We also looked at some of Misdee's trophies and harnesses. She also had a big 200-pound western saddle, which was really shiny and fancy, and belonged to her grandmother.

Next we looked at some of her horses, including <sup>CH</sup>Grande Gil. Then we got to look at her riding ring, and it was huge! Next we went into a carriage room and saw all of her carriages, coaches and sleighs; they were really pretty and didn't have any dust on them. She drove one of them when she was six years old. We also got to see the inside of one. Misdee told us that she has driven all of them at some time except the sleigh, one she used in her wedding that was used in her

grandmother's wedding.

The next place we went was Claiborne Farm. The first thing we did was meet the tour guides, David and Kevin. They talked about what we were going to see at the barn and gave us a lot of information about the farm. Like, 6 out of 11 Triple Crown winners were bred there including Seabiscuit and Seattle Slew.

Arch at Claiborne Farm.

They are going to have about 130 babies this year and have about 450 horses there, they own 3000 acres, and had their

100-year celebration last year. Mr. Seth Hancock is the owner; he is the grandson of the founder of the farm. He drives around the farm every day and knows all the horses by name! We saw many horses in pastures and saw the breeding shed. We also got to walk through the stallion barn and got to see where Secretariat's stall was. His name was on the stall on a big plaque. Eddington is the stallion in that stall now.

Next we got to see a horse named Arch. He is 17 years old and won the Super Derby in 1998. He also breeds at least 100 mares a year. He was a really nice horse. We saw another horse named Blame, the horse that beat Zenyatta in the Breeders Cup. He is also the son of Arch. He won \$4 million in racing and is now 6 years old, breeding at least 97 mares each year. When Kevin was done telling us about Blame, we got to go up and pet him.

Next we went to go and see the cemetery. Secretariat, Bold Ruler and many other horses are buried here. Bold Ruler is Secretariat's sire. There are a few horses in the cemetery buried in caskets like humans, including Swale and Secretariat. The others are buried traditionally with the heart, head and hooves.

We left Claiborne for our next stop at Blue Licks State Park, where we had a nice lunch, and awards were distributed. Five riders from our barn received medals!

After an interesting bus ride we got to the last farm called Cornerstone. We met Fred Sarver, who let us look all around their brand new barn. They had many horses, and also had some cute yearlings running out in the pasture. Most

of the horses were stallions, and they were really big and pretty. We got to see 2 of the horses out of their stalls. One of them — I'm A New Yorker — is 32 years old and still breeding. The other was <sup>CH</sup>Harlem Town, who is 28. Both of them were really pretty.

We had an awesome time at all of these barns, and they all had nice and pretty horses!

Here are some of the things that specific members of our youth group liked:

- Cece's favorite thing was seeing Secretariat's grave because he is her favorite race horse.
- Kala Jo's favorite thing was seeing Secretariat's grave because you don't get to see him every day.
- Brooke's favorite thing was seeing all of Misdee's carriages because they are cool.
- Abby's favorite thing was Claiborne Farm because there were cool horses there.
- Caitlyn's favorite thing was everything because it all was interesting.
- Katelyn's favorite thing was the museum

CAMELOT-A-SPOTZ and  
RAZZ'S SPECIAL EFFECTS.  
Breed with our beautiful stallions!  
Breed with the best!

Camelot-A-Spotz

Razz's Special Effects

CAMELOT-A-SPOTZ is a stunning 2007 purchased homozygous spotted chestnut and white stallion. This stallion stands at 17-1 hands tall, undeniably the Classic American Saddlebred with his good looks and stunning confirmation. Camelot has all the substance and bone that captures the heart and mind of us all. His disposition is the best, very well behaved and a True Prince. He is well bred with outstanding Champion bloodlines of Key Largo, Key West PF, Chubasco, Newtown and Phildown. Camelot produces such elegant foals, very colorful, and they all have wonderful dispositions. Camelot is very respectful with his owner, and he has a warm and lovely disposition with everyone. He is extremely quiet. You don't even know he is a stallion. He is a joy to have and a super producer. DNA tested homozygous for the tobiano gene and he will always produce color. COME AND TAKE A LOOK AT THIS GORGEOUS STALLION.

UlcerGard®  
(omeprazole)

It was either your  
horse or my horse.<sup>1</sup>

“ ”

That's a risk I wasn't  
willing to take.

*Lyndsey Tait,  
Hunter Under  
Saddle, Equitation  
and ULCERGARD  
user since 2009.*

The simple truth is that every horse is at risk for stomach ulcers. Including yours. It's time to reduce the risk with ULCERGARD® (omeprazole). It's the only medicine approved by the FDA to prevent equine stomach ulcers.\*

*Take action at [www.ulcergard.com](http://www.ulcergard.com).*

\* When administered for 8 or 28 days, ULCERGARD is proven to effectively prevent stomach ulcers in horses exposed to stressful conditions.

**IMPORTANT SAFETY INFORMATION:** ULCERGARD can be used in horses that weigh at least 600 pounds. The effectiveness of ULCERGARD in the prevention of gastric ulcers in foals and weanlings has not been evaluated. Safety in pregnant mares has not been determined.
