

JUNIOR JUNCTION

Spring/Summer 2015

ASHA Youth Photo Contest

ASHA also recognizes the artistic side of our junior members through our annual ASHA Youth Photo Contest. Photographs of a living American Saddlebred horse are to be taken by an ASHA junior member. (Sorry, no model horses!) You may submit as many photographs as you like, and awards are given in two age divisions, 13 & under and 14-20. So, ready, get set, shoot! Send in your photo before November 30. Contact Brenda Newell for your entry form by e-mailing b.newell@asha.net.

Rules

All entrants must be ASHA junior members age 20 years or under by November 30.

Photographs must be the entrant's own work and must be taken by the youth member, not an adult.

All photographs must be of a living American Saddlebred horse.

Entries will not be returned. They will become the property of ASHA and may be reproduced in any manner by ASHA for publication, promotion, display, or distribution.

All photos must be 8 x 10, unmatted and unframed. All digital images should be submitted on disk or e-mailed to b.newell@asha.net. Please indicate in the subject line: Photo Contest Entry. Digital entries must be sized to approximately 8" x 10" and saved in .jpg format at medium compression with a resolution of 300 dpi.

You may submit as many photos as you like; however, a separate entry form must be taped to the back of each photo or included with disk or e-mail. Only one entry per contestant will be awarded a prize.

Photos will be judged on creativity, originality and quality of photography. Judging will take place at ASHA, and winners will be notified no later than December 31.

No entry fee.

Two age divisions, 13 & under and 14-20.

Photo may include individuals as well as other props. If photo includes a person(s), that person(s) must give written consent and sign waiver on entry form.

Bridleway Storms the Del Mar Fair

The Bridleway Barnstormers took the Del Mar Fair Charity Horse Show by storm in June. The group travelled to Del Mar, California to participate in our favorite show of the year. What is better than Saddlebreds, sno-cones, the beach and fried butter? Nothing!! The fairgrounds are right on the Pacific Ocean and when the group wasn't showing or going on fairground rides, they were at the beach playing in the freezing surf!! The Barn Stormers also won the inaugural Jog

Cart Race and won \$65 which we donated back to the Charity Fair Scholarship Fund. Stella Dillard was the recipient of the Junior Exhibitor Showmanship Award for the entire show! A great time was had by all !!

How it works

Participants keep track of the time they spend riding. Owning a horse is not a requirement to participate. Special Saddle Time awards will be given when you complete various hour levels. For example, riders will receive a patch and a lapel pin once 50 hours of riding has been completed; a patch and shirt when after 150 hours; a patch and a tote bag when once 200 hours is completed; and additional gifts and recognition as Saddle Time hours accumulate. Hours count in the following activities: trail riding, lessons, parades, drill team and non-USEF recognized events and shows (a 4-H show is a good example).

Saddle Time Rules

Must be a current and active member of ASHA.
Levels one through three do not have to be accumulated on American Saddlebreds.
Levels four through six must be earned on registered American Saddlebreds.
Time recorded begins upon ASHA's receipt of enrollment fee. There is no time limit as long as membership stays active.
Hours are recorded on the official hours log report by the honor system.
Hours required for each award are cumulative.
Ownership of horse is not required.
Hours will count in the following activities: trail riding, lessons, parades, drill teams and non-recognized events/shows.
Hours will not count in the following activities: USEF recognized events/shows, competitive trail rides, endurance rides, driving, grooming and hot walking.

Saddle Time Awards

20 hours: patch and certificate
50 hours: patch and lapel pin
100 hours: patch and cap
150 hours: patch and shirt
200 hours: patch and tote bag
250 hours: patch and award with short story and photo in ASHA youth newsletter, Junior Junction.

PVF Pony Pals

Submitted by Christina Spiliotis and Finn Cooper.

On January 10, 2015 we had our first Pony Pals meeting. Before the meeting started, we had a fun time making horse cookies. After that, we talked about general rules, jobs, fundraising, and advertising.

First, we talked about some of the general horse show rules, like no running or shouting around horses. Next, we talked about some of the positions that we could apply for, such as President, Vice President, Secretary, and the News Reporters. Lastly, we talked about fundraising and advertising. For fundraising we could make a little business and sell products at horse shows. And for advertising we could ask local stores to advertise our fliers. We had a great time at our first Pony Pals meeting.

PVF Pony Pals visit Harmony Equine Center

Submitted by Christina Spiliotis and Finn Cooper

The Harmony Equine Center is the first community service gathering for Parker Valley Pony Pals. The center has been open for three years in Franktown, Colorado. It provides a safe haven for horses, ponies, and donkeys. The animals are at the center because they have suffered from abuse and neglect. They are taken care of by the staff and given the opportunity for a better life. After arriving at the center, we took a tour of the 168 acre property. We went through the stable, arenas, and classrooms. We also walked around outside to see the horses. We then meet two of the workers who just returned from a rescue mission. First we talked to Brent Winston. Brent is the Head Trainer that works all of the 48 horses on site. Only 20 of the horses are available for adoption. We then listened to Karen the Health Care Specialist who talked to us about the care the animals receive. We took many pictures and asked plenty of questions. The best part of our visit was leaving our donations which include brushes, yard tools, towels, ropes, halters, treats, and money. Harmony Equine Center depends on volunteers and donations. Parker Valley Pony Pals was happy to help them out. For more info on the Harmony Equine Center, go to: ddfl.org

Equitate Equestrians Spring/Summer 2015

The Equitate Equestrians of Equitate, LLC in Oconomowoc, Wisconsin had a great winter which only motivated us to move full steam ahead into spring! After winning first place in our local Christmas Parade and sponsoring two local families for the holidays, we wanted to continue to place an emphasis on making an impact in our community. Little did we know that someone at Equitate, who makes such a huge impact on our community, would soon need our support.

Equitate Trainer/Instructor Erin Lunn was recently diagnosed with an aggressive form of Multiple Sclerosis, requiring extensive medical treatment. The Equestrians organized several fundraising activities within our annual Spring Barn show to benefit and support her. \$900 was raised at this event through a food stand, silent auction, raffle, and donations. Participants and guests also wore orange ribbons to raise awareness for MS in honor of Erin. Erin continues to fight MS with positivity and strength.

The Equestrians participated in fun activities and projects this spring such as remodeling our Rider's Locker Room, where riders can store their personal belongings and change into riding clothes, going on a roller skating outing and having an Easter Egg Hunt with horses. Recently members met for a trip to the Milwaukee County Zoo, followed by grilling out at the barn and a water balloon fights in the muddy outdoor arena, and participated in a meeting where members practiced important groundwork skills such as lunging, pasture turn-out, and bathing. Upcoming activities in summer include another team outing and hosting a fundraiser to benefit Erin Lunn at our annual Summer Barn Show.

BOOTS, BITS AND BRIDLES YOUTH CLUB

-Submitted by Krystle Lee

Boots, Bits and Bridles Youth club has been busy this last year. The youth meetings over the last year have focused on understanding basic horse care and sportsmanship. All this learning also called for some fun too!! We ventured out and had some of our meetings at the local yogurt and pizza shop. It was a fun time for all. We even had some patrons ask us all about Saddlebreds!!!

We had a great time playing many games, my favorite one was "Can You Guess Your Horse?".

LEGACY EQUESTRIANS

Submitted by Sondra Warren

Legacy Saddlebreds' newly founded ASHA Youth Club has had a great start to 2015! In our monthly meetings, the Legacy Equestrians have learned about many horse and sportsmanship related topics. Some of the themes so far this year have been Team Building, Preparation for Competition, Sportsmanship, Horse Safety, and Horse Care. In February, we attended the ASHA Youth Conference in Lexington, KY. WIn June, we had our Summer Break Bash, complete with a water slide and Kona Ice Truck to celebrate the beginning of summer.

In July, our older Youth Members will be taking a three-day Trail Ride Excursion in Tennessee, and the younger Youth Members will trail ride at a local facility. Other themes for the rest of the year are Horse Nutrition, planning a horse show (our Inaugural Fun Show), and much more! The Legacy Equestrians are also planning fundraising activities for the Make-A-Wish Walk for Wishes event at Tanglewood Park in November.

BIGGINS BRIDLE BUNCH

-Submitted by Olivia Schneider

This year Biggins Bridle Bunch has been a very busy youth club! Starting the year off with the ASHA Youth Conference in February, while claiming the 2014 Youth Club of the Year award for clubs with under 30 members. In March, the members participated in the Winter Tournament at Rock Creek and later had free riding back at the barn, where riders got to pick a horse and do any gait they wanted for 2 hours.

Youth Club members also brought gloves, hats, blankets and other warm items to donate to the homeless. During April, we began collecting toys to donate to Kosair Children's Hospital. Biggins Bridle Bunch also attended a fun show hosted by Premier Stables, where they got to show in a variety of different classes and meet members of the Premier Stables Youth Club. In May, we got to visit Willowbank and Alliance Stud to check out all their foals and learn more about breeding in the American Saddlebred industry.

After school let out in June, we helped with Pitch-A-Pony at Shelby County Fair, selling ponies to help raise funds for ASHA Youth Scholarships. We also put fliers in mailboxes to promote the breed and find more people who may have an interest in riding. June is one of the club's favorite months of the year because they enjoy going to Biggins Summer Camp and making new friends with other horse riders all over the country while spending all their time around horses! In July, we will be in the Copperfield parade, promoting the breed and later going back to the barn for a pool party. We will also be volunteering at the Junior League Horse Show on family night helping with pony rides. Biggins Bridle Bunch has the rest of the year planned and excited to participate in many activities!

KNOLLWOOD KNOCKOUTS

submitted by Ann Wilt

We started 2015 with a birthday party for CHLexmark as he turned 30. This grand, grand show horse hosted a party complete with carrot cupcakes and a photo booth, so everyone could have their picture taken with the one and only Hootie.

We also hosted our annual awards banquet in January, with our members gathering to celebrate our accomplishments in 2014. We offered awards for our riders for the in-barn and out of barn shows, heard Scott's famous "state of the barn" speech and enjoyed dinner, a slide show, and a DJ as we looked forward to more fun in 2015.

The Knollwood Knockouts have enjoyed a busy Spring and early Summer! We kicked off the Academy show season with our in-barn show in March. With more than 90 riders participating in the show, we had a great time cheering for each other in all the classes judged by Ryan Rongers. With events from lead line to the Knollwood Challenge (modeled after the UPHA Challenge Cup program) all riders from age 4 were able to experience the fun of horse showing.

We also hosted our biggest charity event of the year, the Helper Olympics V. Riders who assist in the barn formed teams by the day of the week in which they work, and competed in "games of skill" while food and money contributions were counted. After lots of thrills, spills and laughing, we collected 1733 pounds of food and over \$800 for the Food Pantry of Waukesha County at a time of year when they need it most.

We've also been on the road during a busy start to show season 2015. We've been to Spring Fling, IASPHA, UPHA Chapter 10, Des Moines, FASH, Prairie State, Midwest and are currently set up and ready to show at Oshkosh. We're looking forward to a fun filled summer, and hope to see all of our horse show friends!

KREWE OF CASCADE

Submitted by Avery Bul

The Krewe of Cascade will be sponsoring coffee and donut breakfast on Saturday morning during the U.S. Saddle Seat Young Rider's Invitational. The youth are also volunteering to help with setting up for this event, as well as helping to get horses ready for the practices and for the actual event. We did a book drive for the Latter Library and donated a ton of books!

VPF STIRRUP SQUAD

submitted by Sydney Young

After officer elections in January, the Vantage Point Farm Stirrup Squad kicked off the year by holding a bake sale to benefit Saddlebred Rescue. The youth group members baked sweet treats for the Spring TASHA Horse Show and everyone enjoyed selling the desserts whenever not showing. We raised \$109.26 to be sent to Saddlebred Rescue! The Stirrup Squad also hosted a booth at the Katy Summerfest introducing many locals to the American Saddlebred and our discipline of riding.

BRIDLEWAY BARN STORMERS

submitted by Sabrina Ball

For the 8th year, the Bridleway Stables Youth Club, the Barn Stormers attended the ASHA National Youth Conference in Lexington, Kentucky. The group does fundraising all year to offset the cost of travel for their members. The group was thrilled to win the 2014 Youth Club of the Year Award as well as awards in History, Community Service and Fundraising. In addition to the club awards, Courtney Ball won the ASHA Youth Award for the 14-21 division for the 5th year in a row and little sister, Chloe Ball won the ASHA Youth Award for the 13 and under division for the first time. Emily Burg won the Photo Contest for her photo titled "My Girl". The group had a wonderful trip and loved visiting all the barns and meeting other youth from all over the country. One of the highlights of the trip was visiting Emily and Jesse West at Alliance Stud for a tour of the wonderful facility and meeting our dear friend, Elisabeth Goth at Visser Stables! Also in February, the Bridleway Barn Stormers also participated in a riding clinic and barn show and invited family and friends to watch the demonstration to promote the American Saddlebred. On hand for the event were trainers, Emily and Jesse West from Alliance Stud who flew in from Kentucky to spend the week with the Barn Stormers and conduct the Riding Clinic. Emily and Jesse helped the group with not only the physical demands of the show ring, but how to be mentally prepared to show your horse. Each rider was videotaped and the clinicians went over each tape individually with the rider and pointed out areas to improve. In March, the Barn Stormers attended the 44th annual, Carousel Horse Show in Scottsdale, Arizona. The group had a wonderful time showing their horses and achieving many goals in the ring. In addition, they found many ways to help others and participate in philanthropy work for several causes. The Barn Stormers helped "Horses Help" at the show by volunteering at an information booth. The Barn Stormers also donated a basket of gift cards worth over \$550 for the Arizona Saddlebred Horse Association to raffle. In April, the Barn Stormers invited over 100 family and

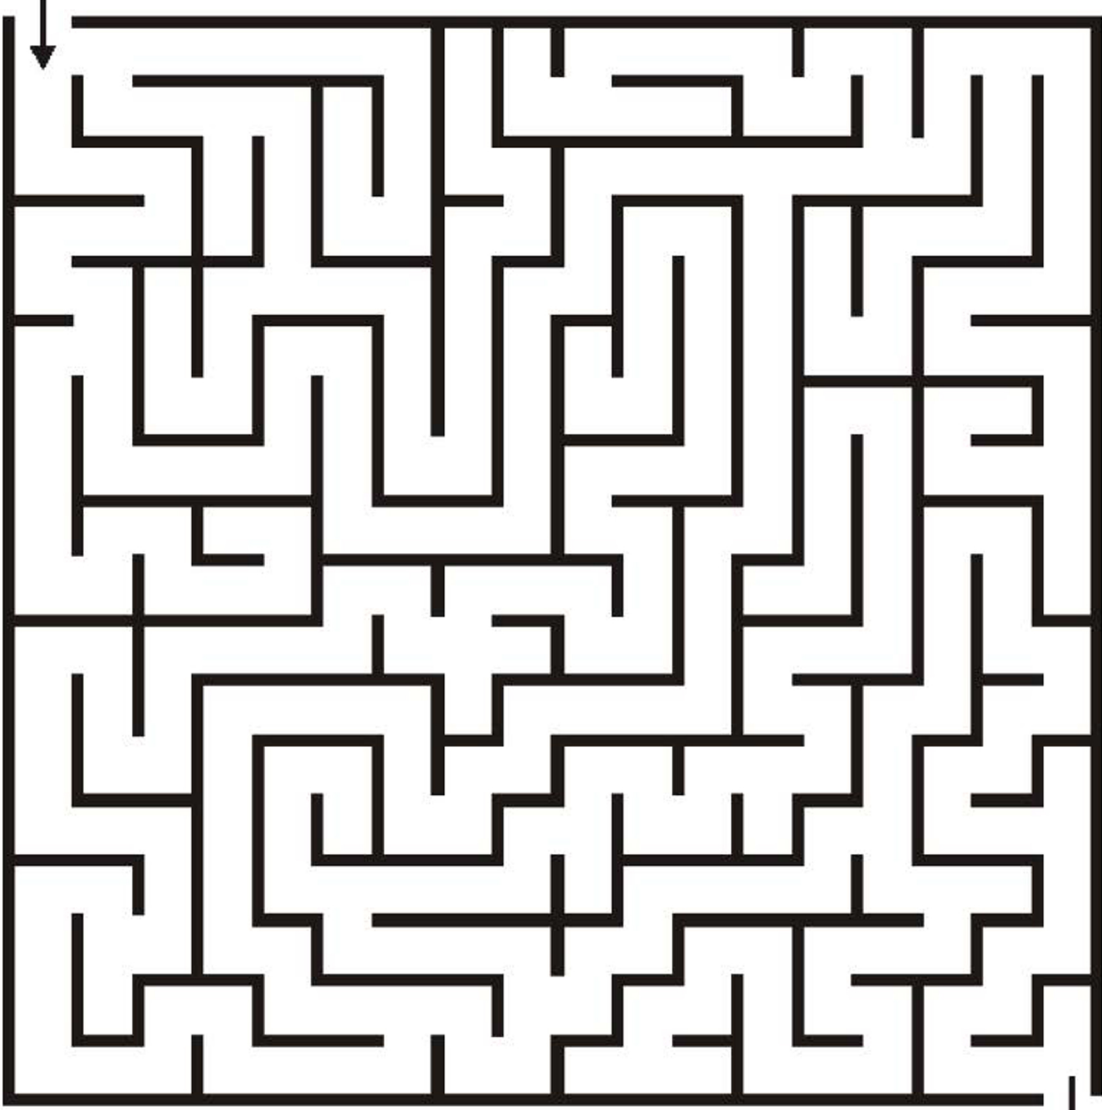

friends to the barn to celebrate Easter! We had an "egg" tra special Easter Egg Hunt with over 1,000 eggs hidden all around the barn. There was also a Picnic BBQ with all our families and a raffle to raise over \$500 for the Horses Help Therapeutic Riding Program. It was a great day of family fun and a great day to raise money for a very worthy cause!

The Bridleway Barn Stormers visited the Horse Heroes in May. The group went to visit the Scottsdale Police Department Stables to visit the horse heroes that work and live at the stable. Sergeant Jason Ponder took the group on a tour of the facility and explained how a police horse and rider are trained to work with this unit. The teams have to go through extensive training and testing to be part of this prestigious unit. We met all 5 of the police horses and wanted to take all these gentle giants home with us!

The Bridleway Barnstormers took the Del Mar Charity Horse Show by storm in June. The group travelled to Del Mar, California to participate in our favorite show of the year! What is better than Saddlebreds, sno-cones, the beach and fried butter? Nothing!! The fairgrounds are right on the Pacific Ocean and when the group wasn't showing or going on the fairground rides, they were at the beach playing in the freezing surf! The Barnstormers also won the inaugural Jog Cart Race and won \$65 which we donated back to the Charity Fair Scholarship Fund. Stella Dillard was the recipient of the Junior Exhibitor Showmanship Award for the entire show! A great time was had by all and we look forward to more fun times this summer!!

Help me find the way to my treats!
