Elisabeth Goth, LLC

“It is not the critic who counts;
not the man who points out how the strong man stumbles,
or where the doer of deeds could have done them better.
The credit belongs to the man who is actually in the arena,
whose face is marred by dust and sweat and blood;
who strives valiantly; who errs, who comes short again and again,
because there is no effort without error and shortcoming;
but who does actually strive to do the deeds;
who knows great enthusiasms, the great devotions;
who spends himself in a worthy cause;
who at the best knows in the end the triumph of high achievement,
and who at the worst, if he fails, at least fails while daring greatly,
so that his place shall never be with those cold and timid souls who
neither know victory nor defeat.”

-Theodore Roosevelt

One of the most rewarding programs available to those who breed American Saddlebred horses is the American Saddlebred Registry's Breeders' Award program. The Breeders' Award was developed by the ASHA Board of Directors in 1997 to promote responsible breeding of American Saddlebreds. The Breeders' Award program recognizes the breeders of the champions and reserve champions in designated classes at the World's Championship Horse Show.

The only eligibility requirement is membership in the American Saddlebred Horse Association. The breeders of the champions and reserve champions in these classes will receive commemorative medallions to recognize their contribution to the breed.

Thank you to the American Saddlebred Museum and the American Saddlebred Registry Board for their sponsorship of the Breeders' Award Medallions.
