How it works

Participants keep track of the time they spend riding. Owning a horse is not a requirement to participate. Special Saddle Time awards will be given when you complete various hour levels. For example, riders will receive a patch and a lapel pin once 50 hours of riding has been completed; a patch and shirt when after 150 hours; a patch and a tote bag when once 200 hours is completed; and additional gifts and recognition as Saddle Time hours accumulate. Hours count in the following activities: trail riding, lessons, parades, drill team and non-USEF recognized events and shows (a 4-H show is a good example).

Saddle Time Rules

Must be a current and active member of ASHA.
Levels one through three do not have to be accumulated on American Saddlebreds.
Levels four through six must be earned on registered American Saddlebreds.
Time recorded begins upon ASHA's receipt of enrollment fee. There is no time limit as long as membership stays active.
Hours are recorded on the official hours log report by the honor system.
Hours required for each award are cumulative.
Ownership of horse is not required.
Hours will count in the following activities: trail riding, lessons, parades, drill teams and non-recognized events/shows.
Hours will not count in the following activities: USEF recognized events/shows, competitive trail rides, endurance rides, driving, grooming and hot walking.

Saddle Time Awards

20 hours: patch and certificate
50 hours: patch and lapel pin
100 hours: patch and cap
150 hours: patch and shirt
200 hours: patch and tote bag
250 hours: patch and award with short story and photo in ASHA youth newsletter, Junior Junction.

To date \$2210 has been raised. Our thanks to Biggins Bridle Bunch who had a trail ride and raised \$610, The Rackin' Riders from Taylor Creek Stables who had a bake sale and raised \$350, High Caliber Hot Shots who raise \$150 selling freeze pops, and Legacy Saddlebreds who raised \$1100 selling doughnuts with their Krispy Kreme doughnut golf cart. A big thank you to these clubs for taking the challenge!

U.S. Saddle Seat World Cup Team Earns Gold and Silver Medals at 2016 International Saddle Seat Equitation World Cup

RELEASE: July 10, 2016

AUTHOR/ADMINISTRATOR: USEF Communications Department

Stellenbosch, South Africa - The U.S. Saddle Seat World Cup Team traveled to South Africa to compete in the 2016 International Saddle Seat Equitation World Cup at the Mistico Equestrian Centre, July 7-9. The twelve U.S. athletes delivered excellent performances against teams from Canada, Namibia, and South Africa. Under the guidance of coaches David Cater (Dunbarton, N.H.), Pam Roush (Lutz, Fla.), and Kent Swalla (Columbia, Mo.), the Three-Gaited section won Gold and the coveted Three-Gaited World Cup trophy while the Five-Gaited section won Silver.

The stage for the competition was set on Monday when the athletes drew for the horses they would ride during the three-day competition. On Monday and Tuesday, the athletes participated in training sessions where they had 20 minutes to familiarize themselves with horses drawn by each team - a true test of their riding skills. During the competition, the amateur athletes competed for individual scores, which ultimately accumulated toward a total team score. The Three- and Five-Gaited sections rode in two phases held over three days: rail work, where the athletes competed as a group, and then individual workouts.

U.S. Saddle Seat World Cup Team (Erin DesNoyers)

Competition officially got underway on Thursday afternoon with the railwork phase. In front of the judging panel of Terry Johnson (Surrey, British Columbia, Canada), Cindy Mugnier (Belchertown, Mass.), and Aretha van Rooyen (South Africa), the U.S. Team members confidently rode their unfamiliar mounts and performed well in the first phase. On the second and third day of competition, the U.S. athletes once again produced great efforts in the individual workouts.

"I thought the team performed very well under pressure in the 2016 World Cup. It's not easy for the riders to perform on horses that they have hardly ridden, and our team did a fabulous job with the horses we paired them each with," coach David Cater said. "We could not be more proud of the team as a whole and both the Three- and Five-Gaited teams had brilliant performances. More importantly, they came together as a team which made the whole event more meaningful."

The U.S. Team and supporters were thrilled with the final results announced at Saturday evening's Award Ceremony. The Three-Gaited section of the U.S. Team received stellar scores to win its Gold medal with South Africa and Canada earning Silver and Bronze, respectively, and Namibia finishing in fourth.

The U.S. Three-Gaited section consisted of:

Aleia Brown (Dayton, Ohio)
Cameron Kay (W. Bloomfield, Mich.)
Courtney McGinnis (Santa Barbara, Calif.)
Faith Robbins (Carmel, Ind.)
Kasey Saccocia (Halifax, Mass.)
Molly Codeanne (Wethersfield, Conn.)

In the Five-Gaited section, the U.S. Team rode well in the challenging competition to win the Silver medal with South Africa earning Gold and Canada collecting Bronze. The U.S. Five-Gaited section consisted of:

Allie Poovey (Winston Salem, N.C.)

Ashley Brandies (Jesup, Ga.)
Ashley Stewart (Pfafftown, N.C.)
Cailin Bridges (Salisbury, Mass.)
Catherine Wheeler (Keswick, Va.)
Rose Marie Wheeler (Anchorage, Ky.)

The U.S. Saddle Seat World Cup Team is proudly sponsored by USA Equestrian Trust, United Professional Horsemen's Association, ModJobs, Becker Brothers LLC, Ceil and Kenny Wheeler, Clifton Foundation Inc., Kim and John Stewart/Scriptor Software, Michael and Lori Robbins, The Schaffel Family, and other generous donors.

BIGGINS BRIDLE BUNCH

SIMPSONVILLE, KENTUCKY

-Carrie Shafer

It's been a fun, exciting and busy year for the Biggins Bridle Bunch youth club. We ushered in 2016 with bareback riding and sledding in the snow. A few members engaged in a snowball fight with Renee Biggins and built a snowman. The winter club meetings and activities included "Adopt a County Road", winter tournaments, the KASPHA Awards banquet as well as the very popular ASHA Youth convention. Biggins Bridle Bunch was recognized for Outstanding History and Community Service. Several members received medals including Kamden Willard (Bronze), Lorelei and Laney Shafer (Gold) and Danielle Moorman (Master Bronze). The group had a great time on the field trips, at Malibu Jacks and dancing the night away at the Youth Gala! The winter Youth club meeting in February was a fun filled evening at Alliance Stud Farm for the Annual Stud Review. This was an informative and educational meeting for the Youth.

Spring brought about excitement for the show season to begin. The Youth participated in a barn wide fun show which included Egg and Spoon, Pole Bending and Ride-A-Buck classes. The Corn Cob class was a funny one too! May was very busy at the Shelby County Fairgrounds with several members making a debut in both performance and Academy classes.

June means time for Summer Camp! This year Biggins hosted campers from all across the country at every riding level. Renee and Ashley Biggins, Caroline Skinner and camp staff made this a special week complete with grooming contests, crafts, swimming, homemade ice cream sundaes, the Shelby County Horse Show and Biggins Fun Show with over 20 different classes to demonstrate new skills! Summer was the perfect time for the ASHA Scholarship ride-a-thon and it was quite a success. In July, We were honored to sponsor the "Fulfill A Dream for Michael" event as one of our many youth club activities. This was a special treat for a young boy suffering from a terminal disease and we were glad to be a part of making this dream a reality for him. The summertime ended with a big finale at the World Championship Horse Show at the KY State fairgrounds. Members participated in Jr. Judging, showing and other fun contests and celebrations.

This fall is off to a great start with KASPHA and the Fall Classic Shows as well as the Rock Creek Novice show. Biggins Bridle Bunch members have had tremendous success demonstrating how much hard work and regular lessons pay off in the show ring! The canned Food Drive for Operation Care is also well under way and will be followed by collecting for the Humane Society. We look forward to the end of year riding activities, Christmas party, caroling on Horseback and Silent Auction benefitting the Home of the Innocents.

EQUITATE EQUESTRIANS

Summer 2016

Equitate, LLC
Ixonon, Wisconsin

YOUTH CLUB OFFICERS AND MEMBERS BECOME STILL LIFE MASTERS!

The officers, members, and families of the Equitate Equestrians Youth Club of Equitate, LLC in Ixonon, Wisconsin have had an awesome summer!

We started the season off with our first ever highway clean-up on our recently adopted highway. Parents and members worked together to remove trash to beautify our community and better our world.

The Equitate Equestrians hosted two fundraisers at our Summer Barn Show – tie-dye stations and

a dunk tank! Riders were able to tie-dye their Team Equitate show shirts (provided at show registration) and while that dried, take a swing at dunking Equitate's Trainers and Instructors in our first ever dunk tank!

Our members were able to put their artistic abilities to the test during our Equestrian Still Life meeting where one of our club moms provided art supplies and instructions for members. The end results were beautiful!

Recently our club met and toured the Wisconsin Equine Clinic which is just miles from our farm! Members and their families were escorted around the clinic and educated about horse health, medical care, and more. The number of aspiring vets in our club definitely increased after this meeting! Since the clinic does not charge for tours, we asked for small donations from our members for the Saddlebred Rescue.

With fall approaching, we are planning another highway clean-up and are already planning for participating in our community Christmas parade.

AVALON SHOW TEAM

FLORIDA

-by Pam Roush

Avalon Show Team has been having some summer fun this year! We had a “road trip camp” at our Summer Fun Horse Show and all 18 of us rented a huge house. We had house moms who cooked great meals and the youth were junior trainers for the week. They did an amazing job of caring for the horses and learned what it takes to put a horse in the ring properly. I have a funny rule (well I think it’s funny!) that if the water bucket is dirty on your care, you have to take a sip. Well, we had the cleanest water buckets at the show, for sure! It was a busy, crazy, hilarious week, but very worthwhile. It was rewarding to see the next generation learn how to do everything.

Our Academy 14 and over team is really strong this year, we had 5 compete in WTC Equitation and Showmanship classes at the Tampa Charity Horse Show. They all came out with ribbons in huge classes. They are the leaders in our Academy program, they are all my junior helpers when we have our programs at the barn and the best group of ladies! We are so proud of their talent but more importantly the sportsmanship they display for the Avalon team and the respect they have for each other every time they show. Our sportsmanship starts early here, one of our younger students, Ellie is coaching our adult rider as she goes into the next class! Ellie had just finished showing and was giving her last minute tips to Kelli, our adult rider who was next on the horse-so cute!

HIGH CALIBER HOTSHOTS

NORTH CAROLINA

-by Lauren Blue

The High Caliber Stables Hot Shots have been busy! This year, we kicked off the New Year with "Ride Into the New Year" -celebrating with games on and off horseback, dinner, snacks, and a sparkling cider toast on horseback! Then in March, we hosted the annual High Caliber Stables Egg Hunt -hundreds of eggs, face painting, a bake sale, prizes and pony rides! Even better, the Hot Shots were able to make a donation to the ASHA Scholarship Fund with the proceeds from the Bake Sale. Though it was quite chilly and rainy that day, there were still dozens of kids on hand to have fun. Summer kicked off with the UPHA Horseman's Classic Horse Show in Greensboro. The Hot Shots, along with the ASAC Youth, sponsored the Stick Horse class and hosted a make-your-own stick horse booth and many of the Hot Shots showed up in force to cheer on R. Chubbbutt in the driving classes with Mary's mom, Debbie Marcum.

In October, we will host our annual Fall Fun Show with a portion of the proceeds being donated to a High Caliber family member who is battling cancer and heading into holidays, we always look forward to the Christmas Party and collecting toys for the Salvation Army Toy Drive as well as helping to host the annual Blues' Gingerbread Party for the Leukemia & Lymphoma Society.

The Hot Shots are looking forward to everything the fall and winter has to offer!

LONGVIEW LITTLES

COLORADO

-by Melissa Burnham

The Longview Lil's hosted a Snack Sale at the 50th Anniversary of Colorado's Fall Charity Horse Show. This one day sale raised \$125 for the Great Escape Mustang Sanctuary in neighboring Deer Trail, Colorado. This was the club's first ever public fundraiser and everyone was really proud of how well it went. We will be presenting the money to the organization at our tour of the GEMS facility on October 1st.

RACKIN RIDERS

MICHIGAN

-by Camryn Mallery

Taylor Creek's Rackin' Riders Youth Club is up and running again, and have had a fun-filled season of activities! In between a very busy show season...

We started out with our first meeting in April, with an enthusiastic group of kids! An introduction to all the great programs ASHA has to offer was given, and a look at what's coming up for the year ahead. The educational portion of the meeting was on grooming and tools. There was a grooming tool relay race game, and hands-on grooming contests.

In May, we learned about horse feeds. During this meeting we also made organic horse treats (yum!), and made signs, as a fundraiser around our barn. The bake sale was held the following day during a busy lesson day, and the remaining horse treats went to a horse show for selling. It was a successful first club fundraiser!

In mid-June we participated in our local Davison Festival of Flags Parade...what better time to show off "America's Horse" in red/white and blue finery? Storms were forecast that day, so we decided to go 'horseless', but decorated giant stick horses instead. The sun did stay out for the duration, and we had a lot of fun just the same, while passing out candy and ASHA Youth program brochures.

July brought a challenge from ASHA... to fundraise for the Youth Scholarships...in time for the Worlds Show! We quickly put together a bake sale at the Crystal Show. It was a huge success...and we got 2nd place of all the ASHA Youth Clubs in money raised for scholarships! Go Rackin' Riders!

In August, the Rackin' Riders got together to make a large display to promote the American Saddlebred, and Taylor Creek Stables, to enter at the Genesee County Fair. It was on display for a week in the Youth Exhibits tent, for many fairgoers to see. The display earned a blue ribbon!

During the September meeting, the educational project was learning all about colors & markings. After looking through photos and descriptions, the members were given a worksheet to go through the barn and pastures to try to identify all the different markings and color combinations (do you have an interrupted stripe in your barn?) And they found them all except one...there was no red roan to be found! Even the parents said they learned a lot that day.

Work has begun on our club scrapbook, and we have a new fundraiser planned next month for the Basket donation for the Youth Conference. We also have some amazing community service and promotional events planned for later this Fall and early Winter! It's been a fun-packed year, and we are all looking forward to begin planning for next year!

KNOLLWOOD KNOCKOUTS

WISCONSIN
-by Ann Wilt

It's hard to believe summer 2016 is over and everyone is back in school. The Knockouts had a busy summer!

We started with our annual Helper Olympics to raise funds for the Food Pantry of Waukesha Counts. Helpers in the lesson program competed to see which day of the week could collect the most food for our neighbors, and competed in fun events while the totals were being tabulated. When all the calculations were completed, the Knockouts had gathered 323 meal kits for the pantry.

The Knockouts attended horse shows all over the Midwest. While our academy team stayed in Wisconsin and Illinois, our show riders enjoyed their trip to Minnesota and Kentucky as well. One of our favorite shows is the ASAW Summerfun show where we all compete, and the club sponsors an ice cream social after the Saturday morning performance.

The Knockouts decided to try a non-horse activity this summer when we all went mini golfing. With teams named after favorite school horses, it turned into quite a competitive event. Team Baxter came out on top in the end.

We also co-ran the ASAW Summer Showcase in Cedarburg in August. We set up the facility, delivered lunches, ran the concession stand, and took it all apart after the two day show. We enjoyed beautiful weather, time with friends, and nice big academy classes. Thanks to the show, the ASAW Scholarship Fund received a big boost.

The week after the ASAW show, the Knockouts hosted their 2 day summer in-barn show. Our lesson horses were marvelous, introducing many new riders to the fun of horse showing, and our riders joined together to provide a great atmosphere. Everyone pitched in, whether it was in the barn with the horses, in center ring, or in the concession stand. We had a blast!

We're looking forward to fall horse shows, cooler weather, and Halloween on Horseback in October!

CLUB LANDMARK

ILLINOIS

by Jonelle Chovanec

Club Landmark has been busy this summer participating in lots of activities! In March, they participated in the St. Charles St. Patrick's Day Parade. Club Landmark also participated in the One Last Race 5K race which benefits retired race horses. In May, they had a Derby Day field trip to Arlington race track. Over the summer the group also hosted two equestrian themed movie nights. Club Landmark also participated in the ASHA Barn Bingo at Louisville, class sponsorship at local shows and their annual themed basket donation to the Mid-American Horse Show Association. They also have planned a horse-head wreath making fundraiser for the group.

WALLEN WEST GOLDEN SPURS

CALIFORNIA

-by Kendall Kelledy

Wallen West Farms and Riding Academy has had a busy year, and recently formed an ASHA Youth Club known as the The Golden Spurs. Our riders have been doing things together and are building lasting friendships while learning about horses. Our first show in March was Carousel in Scottsdale, Arizona. At this show, we volunteered selling ponies for the Pony Pitch to help raise money for Horses Help. We also wore purple ribbons to help raise awareness for cystic fibrosis and support our horse friend, Alex Mooney. Her double lung transplant was a success and she is back in the show ring!

In April, we attended Diamond Jubilee in Del Mar, California. Although we had to endure the rain, the fun never stopped. At every show we attend, our parents make the meals and the barn family always shares meals together. These special times are some of our best memories. When we are together, we are a big family cheering for each other even when we are competing in the ring together. We learn about tack and the care needed to maintain all our equipment in the barn. Robb and Betsy are always helping us learn new things daily. We had an informative demonstration by Dr. Don Moore, who is the barn's Equine Chiropractor. He offered much information and we loved asking him questions and watching the horse's reactions to the treatment was bone popping fun! In May, we traveled to San Marcos, California and participated at the Spotlight Show. In June, we returned to Del Mar to compete at Charity Fair. Wallen West was the winner for having the most participants and donations. Later in the month we held Summer Camp, offering demonstrations by our local farrier, Kelly Carle. We also enjoyed lessons in Saddle Seat,

Equitation, Driving, In-Hand, along with many crafting projects. At the end of camp, we all went to Anna's house for a pool party. It was a great way to cool off from the summer heat.

In July, we were off to Santa Barbara Nationals. We all went on a cruise and enjoyed the beautiful coast of Santa Barbara for some pre-show fun. We also had opportunity to visit Intrepid Farms. Art Perry spent the afternoon sharing many funny stories and we toured his museum and farm. At the Morgan Medallion, Katilyn Jackson and our trainer Robb Wallen entered the Pro-Am Challenge to raise money for The Last Chance Corral. They rode Fox Grape's Bombs Away to victory raising \$2,300.00 which will be used to help purchase milk for the foals. Kaitlyn was on her way to Louisville for the World's Championship Horse Show! She would be on Fox Grape's Bombs Away, an American Saddlebred and her roadster pony, Passing Lane. I was lucky enough to go and take in all the excitement of the green shavings. We enjoyed many activities including golf cart decorating, junior judging, and watching the retirement ceremony for Marc of Charm. We received a First Place ribbon in the ASHA Youth Golf Cart Decorating Contest. The show was packed full of things to do and meeting new people who love horses and sharing stories about their experiences made it very memorable. Our barn is lucky enough to welcome three new American Saddlebreds, Lismore's Felix The Cat owned by the Meisler family, Globetrotting Guy owned by the Horn family and Stonecroft's I'm Free owned by Jennifer Polich. At the barn we learn how to respect each other and also how to respect our horses. We have an event coming up in October where we will be setting up a booth and promoting the wonderful American Saddlebred. Our team is busy putting a brochure together and will also offer on-site demonstrations. We met at the barn and became friends in a short amount of time we have become family!

CHEVAL SADDLE CLUB

Gilroy, California
-by Kelly Abbott

The kids of The Cheval Saddle Club had a summer packed with activities! In late May, the Club took a field trip to Golden Gate Fields for a behind-the-scenes look at horse racing. Jon Forbes, from the track's publicity department, met us at 8:00am trackside to watch the morning horse workouts. Trainer, Bob McClean, joined us to talk to us about how the horses train and who is part of the training team. After this chat, Jon escorted the club to the administration offices, and eventually up to the roof of the grand stand. The only way to the announcer's booth is across the roof! Once the races were underway, the girls were able to go back up to the roof and meet the announcer, Angela Hermann. We were told that she is the first female announcer in US Horse Racing since the 1960's! The girls were able to watch her announce a race or two from her booth!

Our big June activity was Summer Horse Camp! The Cheval Foundation joined forces with Maggi Stables to put on our first ever summer camp. Our older, more experienced club members helped direct camp activities by becoming Jr. Leaders for the week. Each camper spent the week learning proper equine safety, grooming, tacking, and riding techniques. All participants earned three badges from the American Saddlebred International Youth Program (ASIYP): "I Love Horses," "Grooming," and "Safety."

Several guest speakers come and talk to the campers about their equine related professions. Brett Willnauer brought one of their big rigs and gave the campers a tour, let them climb around in the cab, blow the truck horn, and talk to them about horse transportation. Dr. Lauren Winfield spent an afternoon at camp to show the campers how she floats teeth and talked to them about being a veterinarian. Our fabulous farrier, Travis Mahoney, also stopped by and presented a wonderful demo on trimming and hoof health. He also brought several different kinds of horseshoes

for different sized horses and different applications to show the campers. He even brought some shoes for the campers to use for a craft project!

It was a fun week for all, and we even had three new youth join our Saddle Club!

In July we took a weekend of back-to-back field trips to learn more about the vaulting discipline. We visited Gilroy Gaits for a vaulting competition right here in our own back yard, followed by a group-vaulting lesson at Garrod Farms in Saratoga, CA. Each participant learned some basic vaulting moves on the pommel horse, and then were able to try them out on a trotting horse! The girls really enjoyed it!

We squeezed in two more field trips before going back to school in August. The first was to The Horse Park at Woodside to watch the Coto Cup Drill Team competition. It was exciting to watch and see the various skill levels performed by each team.

Our most recent outing was to SL Barrel Horses / Lone Star Riding Academy to watch a barrel horse demo and learn a bit about the discipline. Trainer, Sarah Luke, and her partner have been building a new riding facility in San Juan Bautista, CA over the last year. She gave the saddle club members a great presentation about their building process, suggestions and pit falls, and future plans of their facility to help get the girls started on earning their "Stable Management" badge from ASIYP. We are hoping to complete the badge at the September meeting. With the cancellation of the Summer Classic, our youth club has been on the lookout for local shows to attend. The Cheval Foundation will be bringing 4-5 club members to the Santa Cruz County Fair Youth Horse Show on Friday, September 16th. The girls are excited to show at the Watsonville Fairgrounds, even if it means missing a day of school! We are also looking forward to the Autumn Edition Horse Show in Santa Rosa on Oct. 1st. Our club will be hosting the Silent Auction/Used Tack booth. Come out and support us... 50% of the proceeds will benefit the show, and 50% will support our youth club! Don't miss this show! It will be running during the Sonoma County Harvest Fair, which offers food, drinks, shopping vendors and exhibits!

LEGACY EQUESTRIANS

NORTH CAROLINA

-by Sondra Warren

The Legacy Equestrians have been quite busy in 2016! Our meetings have included topics such as barn safety, social media and earning Legacy Horsemanship badges that show the different things you can successfully do with the horse (ground work and under saddle).

We had several outings for the youth members to get to know each other outside of the barn. Our younger members went to a local trail ride stable, Ogburn Stables for a day outing. Our teenagers went to Blanche Manor in Copperhill, Tennessee for a 3-day Trail Ride Excursion Trip. They stayed at the facility in a large cabin, went trail riding 2 days, went kayaking and went swimming at one of the white water centers.

Our youth club has also held multiple events to help raise money for Make-A-Wish. Between our Spring and Fall Fun Shows, community events and raffles we have raised over \$1600 so far. Our goal is \$4000 between now and March 2017. As another community service project, we hosted a large yard sale at the barn to raise money for St. Jude's which our National Team will be taking to the Finals to add to the show's contribution to the foundation. We also used our winning golf cart entry for the barn (Krispy Kreme) to fundraise for the ASHA 125th Anniversary Challenge. We sold doughnuts from the golf cart raising over \$1100 for the challenge!! The money from the challenge goes to support ASHA Youth Programs.
