One of the most rewarding programs available to those who breed American Saddlebred horses is the American Saddlebred Registry's Breeders' Award program. The Breeders' Award was developed by the ASHA Board of Directors in 1997 to promote responsible breeding of American Saddlebreds. The Breeders' Award program recognizes the breeders of the champions and reserve champions in designated classes at the World's Championship Horse Show.

Thank you to Equidae Insurance, "Protecting Your Passion & Investment" for their sponsorship of the Breeders' Award Medallions.

ASHA Member of the Day

Our final ASHA Member Of The Day for 2017 goes to a gentleman who is not only a friend to many, but he's someone who has given the utmost care to our beloved champions for more than 30 years. Tonight's honoree received his doctorate in veterinary medicine from Ohio State University. He joined on as a resident vet of a large breeding and training operation in Kentucky before establishing his own Equine Services PSC in 1982 and since that time has made so many breakthroughs as a surgical medical hospital with state of the art techniques and diagnostics.

He performed the first embryo transfer in the American Saddlebred breed in 1980 and was also the first to perform and interspecies embryo transfer between the zebra and a domestic horse. His clinic was also one of the first in the country to offer laser surgery.

As the owner of Alliance Stud, our Member Of The Day and his wife Linda stand an array of stallions and raise several foals a year. He has spent endless hours dedicated to this breed in so many ways. Besides giving our animals passionate care and giving the time and resources it takes to run a large-scale breeding operation, he has always been there for us when it comes time educating people on the practices of our sport.

On top of all this, he's always been one of the good guys, being

Dr. Scott Bennett (Kentucky)

there for the one-horse owner as well as the most influential operations. For his many years of service to the breed we are honored to recognize Dr. Scott Bennett as the ASHA Member Of The Day for this, the most cherished day of the World's Championship Horse Show.

One of the most rewarding programs available to those who breed American Saddlebred horses is the American Saddlebred Registry's Breeder's Award program. The Breeder's Award was developed by the ASHA Board of Directors in 1997 to promote responsible breeding of American Saddlebreds. The Breeders' Award program recognizes the breeders of the champions and reserve champions in designated classes at the World's Championship Horse Show.

The only eligibility requirement is membership in the American Saddlebred Horse Association. The breeders of the champions and reserve champions in these classes will receive commemorative medallions to recognize their contribution to the breed.

Thank you to Equidae Insurance, Protecting your Passion & Investments for their sponsorship of the Breeder's Award Medallions.

Sport Horse Year End Awards Program

The Sport Horse Year End Awards Program is designed to acknowledge, reward and promote the versatility of the American Saddlebred within the various disciplines and is open to both registered purebred and registered Half Saddlebred horses. Disciplines in which horses may earn points are: dressage, driving, hunter, jumper, eventing, western/cowboy dressage, and distance riding (competitive trail riding and endurance).

High Point Neck Ribbon Awards Program

For American Saddlebred and Half Saddlebred horses enrolled in the Sport Horse Year End Awards Program and competing against all breeds at open shows, we recognize the Saddlebred or Half Saddlebred with the highest score at that competition. A neck ribbon is presented at shows recognized by national (USEF) or discipline regulated (USDF, AERC, USPC, etc.) open all breed shows. Awards will be sent upon the request of individual competitions; so if you are planning to show this year, be sure to ask show management to submit a neck ribbon request form to the ASR office.

Adequan®/USDF All-Breeds Awards

Designed to recognize the accomplishments of specific breeds in dressage, these awards are presented to horses declared for a participating registry/organization (PO) with USDF. The American Saddlebred Registry is a participating organization with USDF.
