MAN WHAT A DREAM

2017 BROODMARE HALL OF FAME

By Kim Skipton

At its' July 8, 2016 meeting, the American Saddlebred Registry Board of Directors unanimously approved an important committee proposal which expanded the criteria for the Broodmare Hall of Fame. The Board approved the Registry Committee's proposal to add the Show Pleasure, Country Pleasure, Park Pleasure and Park divisions as qualifiers for the Broodmare Hall of Fame. Previously only the Five-Gaited, Three-Gaited and Fine Harness divisions at the World's Championship Horse Show qualified for Broodmare Hall of Fame. The new criteria became effective immediately and are retroactive.

This year only two mares qualified for BHF using the earlier, more stringent requirements, but 15 qualified under the new criteria. Due to the increasing amount of qualified mares, historical biographies were not researched and written on every inductee. Pedigree research has been provided for owners that chose to celebrate their broodmare's new Hall of Fame status and wanted to share their accomplishments with the horse world via advertising. Photos of those mares and/or their offspring are included, along with pedigree research and a list of qualifying produce. This year's write up features two 2017 inductees and one from 2016. We encourage any owner of a Hall of Fame broodmare, past or present, to use the Journal as a vehicle to honor these very special mares, and hope to see many more Hall of Fame broodmares advertised in the future.

Following is a brief history of the ever evolving Broodmare Hall of Fame. The Broodmare Hall of Fame was established in 1972 as a project of the Southeastern Futurity. ASHA accepted responsibility for the BHF in 1981 and established a committee, consisting of Jim Aikman, Mae Condon, Carl Fischer, Don Stafford, Lynn Weatherman, Linda Graham Leonard, and Judy Werner. Criteria for inclusion in this group of elite mares were established; some of the qualities desired included: having produced champion show horses and/or sons or daughters important in the breeding world; being prolific; and having representatives in the breed today

In 2001, the ASHA Board approved new criteria based on computer-generated data, not subjective selection, for inducting mares into the BHF. A mare must have produced a minimum of three offspring that earned a combination of the following titles at the Kentucky State Fair World's Championship Horse Show: three World's Champions; or two World's Champions and one Reserve World's Champion; or one World's Champion and two Reserve World's Champions. In any combination, the mare must

have produced three different offspring, each of which must have won one of these titles in the five-gaited, three-gaited or fine harness divisions. Also, for these classes to count toward BHF status for a mare, the same criteria applied as dictated by the Saddlebred Record Champion program, i.e., at least six horses must have shown in a qualifying class and four horses in a championship class.

Additional criteria were added in 2012 for the recognition of dams of important sires and dams. One of the following can replace one World's Champion or one Reserve World's Champion requirement: the mare produced one sire of five World's Champions, or the mare produced one producer (dam) of a World's Champion. The World's Champion-producing son or daughter cannot be the same horse whose win is counted toward Broodmare Hall of Fame status. Also in 2012, the ASR Four-Year-Old Sweepstakes relocated to the Kentucky State Fair World's Championship Horse Show and those Three-Gaited, Five-Gaited and Fine Harness divisions became eligible for use as BHF qualifiers.

We encourage any owner of a Hall of Fame broodmare, past or present, to use the Journal as a vehicle to honor these very special mares...

In 2013, the Five-Gaited and Three-Gaited Pony divisions were added, thus allowing classes in these divisions to count toward Broodmare Hall Of Fame status. However, In Hand and Kentucky County Fair classes still do not count as BHF qualifiers. The ASHA database conversion of 2014 made it possible for the Registry to run a computer search for potential BHF's, a huge time saver. Though each mare must still be verified by hand, the database has had a huge impact on making that job easier.

The Broodmare Hall of Fame program has undergone many changes in the past years and may undergo more changes in the future as our breed evolves and our database capabilities catch up. If you feel strongly about mares whose offspring qualified for the Broodmare Hall of Fame under the early rules that required firsts or reserves only in the Three-Gaited, Five-Gaited and Fine Harness divisions at the Kentucky State Fair, then look for mares that qualified prior to 2016. If you applaud mares that have produced world's champions and reserve world's champions under the new criteria in the Park, Pleasure or Country Pleasure divisions, look for mares that qualified from 2016 forward. Any mare that produces offspring eligible for qualification is an outstanding broodmare, and the Broodmare Hall of Fame will always be one of the most important tools a breeder can use when tracking the "best of the best" on a set of papers.

Owner: Riverdreams LLC, Chapel Hill, NC	2015 Exclamation Mark! 126602 by Marc Of Charm (WGC)
KSF Winning Produce: 2	2015 Riverdreams' Remarcable 125141 by Marc Of Charm (WGC)
KSF Ribbons (2nd thru 8th): 1	

The first inductee to the Broodmare Hall of Fame in 2017 is Man What A Dream (BHF). Bred by George Knight, she was foaled in 2002 and is the youngest of this year's group of mares to gain BHF status. As a training horse, she had some success in the three-gaited park pleasure division, earning several blues and a sixth place at the Kentucky State Fair, but it was in the broodmare ranks that she would excel. Man What A Dream was wisely purchased in early 2007 by Carolyn and Gary Koch's Riverdreams LLC as a broodmare prospect. She produced a foal in 2008, the nice show horse Charming Dreamer (by WC sire WCC Santana's Charm). It would be four years before she had another, but she certainly made up for lost time.

The first of her offspring to qualify her towards Hall of Fame status was her second foal, Riverdreams' Remarcable, her 2012 foal. He is sired by the Koch's own stallion, the world's champion sire and 2015 Five-Gaited World's Grand Champion Marc Of Charm. In the same year that Marc Of Charm earned his WGC title, Riverdreams' Remarcable was crowned World's Champion in the 2015 ASR National Three-Year-Old Park Pleasure Futurity. Apparently, 2015 was a very good year, as the second son of Man What A Dream and Marc Of Charm earned a world's title. Foaled in 2013, Exclamation Mark! won the 2015 Two-Year-Old Five-Gaited World's Championship. Her third son in a row by Marc Of Charm gave her the last BHF qualification she needed. Riverdreams' Spitfire was born in 2014, and made his first show ring appearance at the 2017 Kentucky State Fair. He was Reserve World's Champion in the Five-Gaited Three-Year-Old Stallion/Gelding class and just two short days later came back to earn the Reserve World's Champion honors in the ASR National Three-Year-Old Five-Gaited Futurity. It is rare to see three full brothers in a row qualify a mare for the Broodmare Hall of Fame.

Man What A Dream is sired by two-time Five-Gaited World's Grand Champion ^{CH}Man On The Town, third in the unprecedented line of four five-gaited world's grand champions. ^{CH}Man On The Town's sire is three-time Five-Gaited World's Grand Champion ^{CH}Yorktown, his grandsire is six-time Five-Gaited World's Grand Champion ^{CH}Wing Commander, and ^{CH}Man On The Town himself sired Five-Gaited World's Grand Champion ^{CH}He's The Man, the only gelding in the foursome. ^{CH}Man On The Town sired but 31 female foals and though many have produced world's and reserve world's champions, Man What A Dream is the first of his daughters to enter the Broodmare Hall of Fame.

She is a half sister to several champions, including the 1995 ASHA Two-Year-Old Fine Harness Futurity World's Champion and multiple World's Champion Park Mare A Daydream Believer

(BHF) (dam of WGC ^{CH}Castledream, RWGC HS Daydream's Heads Up, WCC ^{CH}HS Dignitary, WCC HS Decorum, WC HS Daydream's Believe In Me, WC HS Daydream's Fashionista, WC HS Daydream's Celebrity, RWC Dream Castle, RWC ^{CH}HS First Day, RWC HS Daydream's Perfect Gentleman and RWC sire Castle Vision, etc.), WC ^{CH}Vegas Dreams, RWC Keep Dreaming, and RWC I Am The Dream (BHF) (dam of many time Ladies Three-Gaited World's Champion of Champions ^{CH}HS Baby Steps, current Five-Gaited Junior Exhibitor Rider 14-17 World's Champion of Champions HS I'm A Dreamer, multiple fine harness world's champion HS I'm Hot Wired and RWC HS I'm Dreaming The Blues). Pretty impressive siblings for a mare to live up to!

When beauty and gameness go hand in hand, remarkable things can happen

Her dam, Hall of Fame broodmare Dream A Dream, is by world's champion sire and world's champion Sultan's Spartan. Dream A Dream is line bred to Three-Gaited WGC ^{CH}Valley View Supreme and is a half sister to the well-known ^{CH}Spirited Wing and to Inspiration's Star (second dam of multiple five-gaited world's champion ^{CH}Tigerlee). With the induction of Man What A Dream, Dream A Dream (BHF) now counts an unbelievable three daughters in the Broodmare Hall of Fame. Man What A Dream's second dam, Dream Waltz Supreme, is the only full sister to WC sire Supreme Spirit and is a half sister to Dream Awhile (dam of WC Texas Gunslinger). Both Man What A Dream's dam and second dam were unshown. However, her famous third dam, Hall of Fame broodmare ^{CH}Dream Waltz, was not

only a multiple world's and reserve world's champion in the five-gaited juvenile, ladies, amateur and open divisions, but also was the 1956 Five-Gaited World's Grand Champion. ^{CH}Dream Waltz (BHF) is a full sister to WGC sire WGC ^{CH}Wing Commander, WGC producer WC ^{CH}Lover's Lane, WC sire RWCC Private Contract, RWC sire ^{CH}Primrose Path, and more.

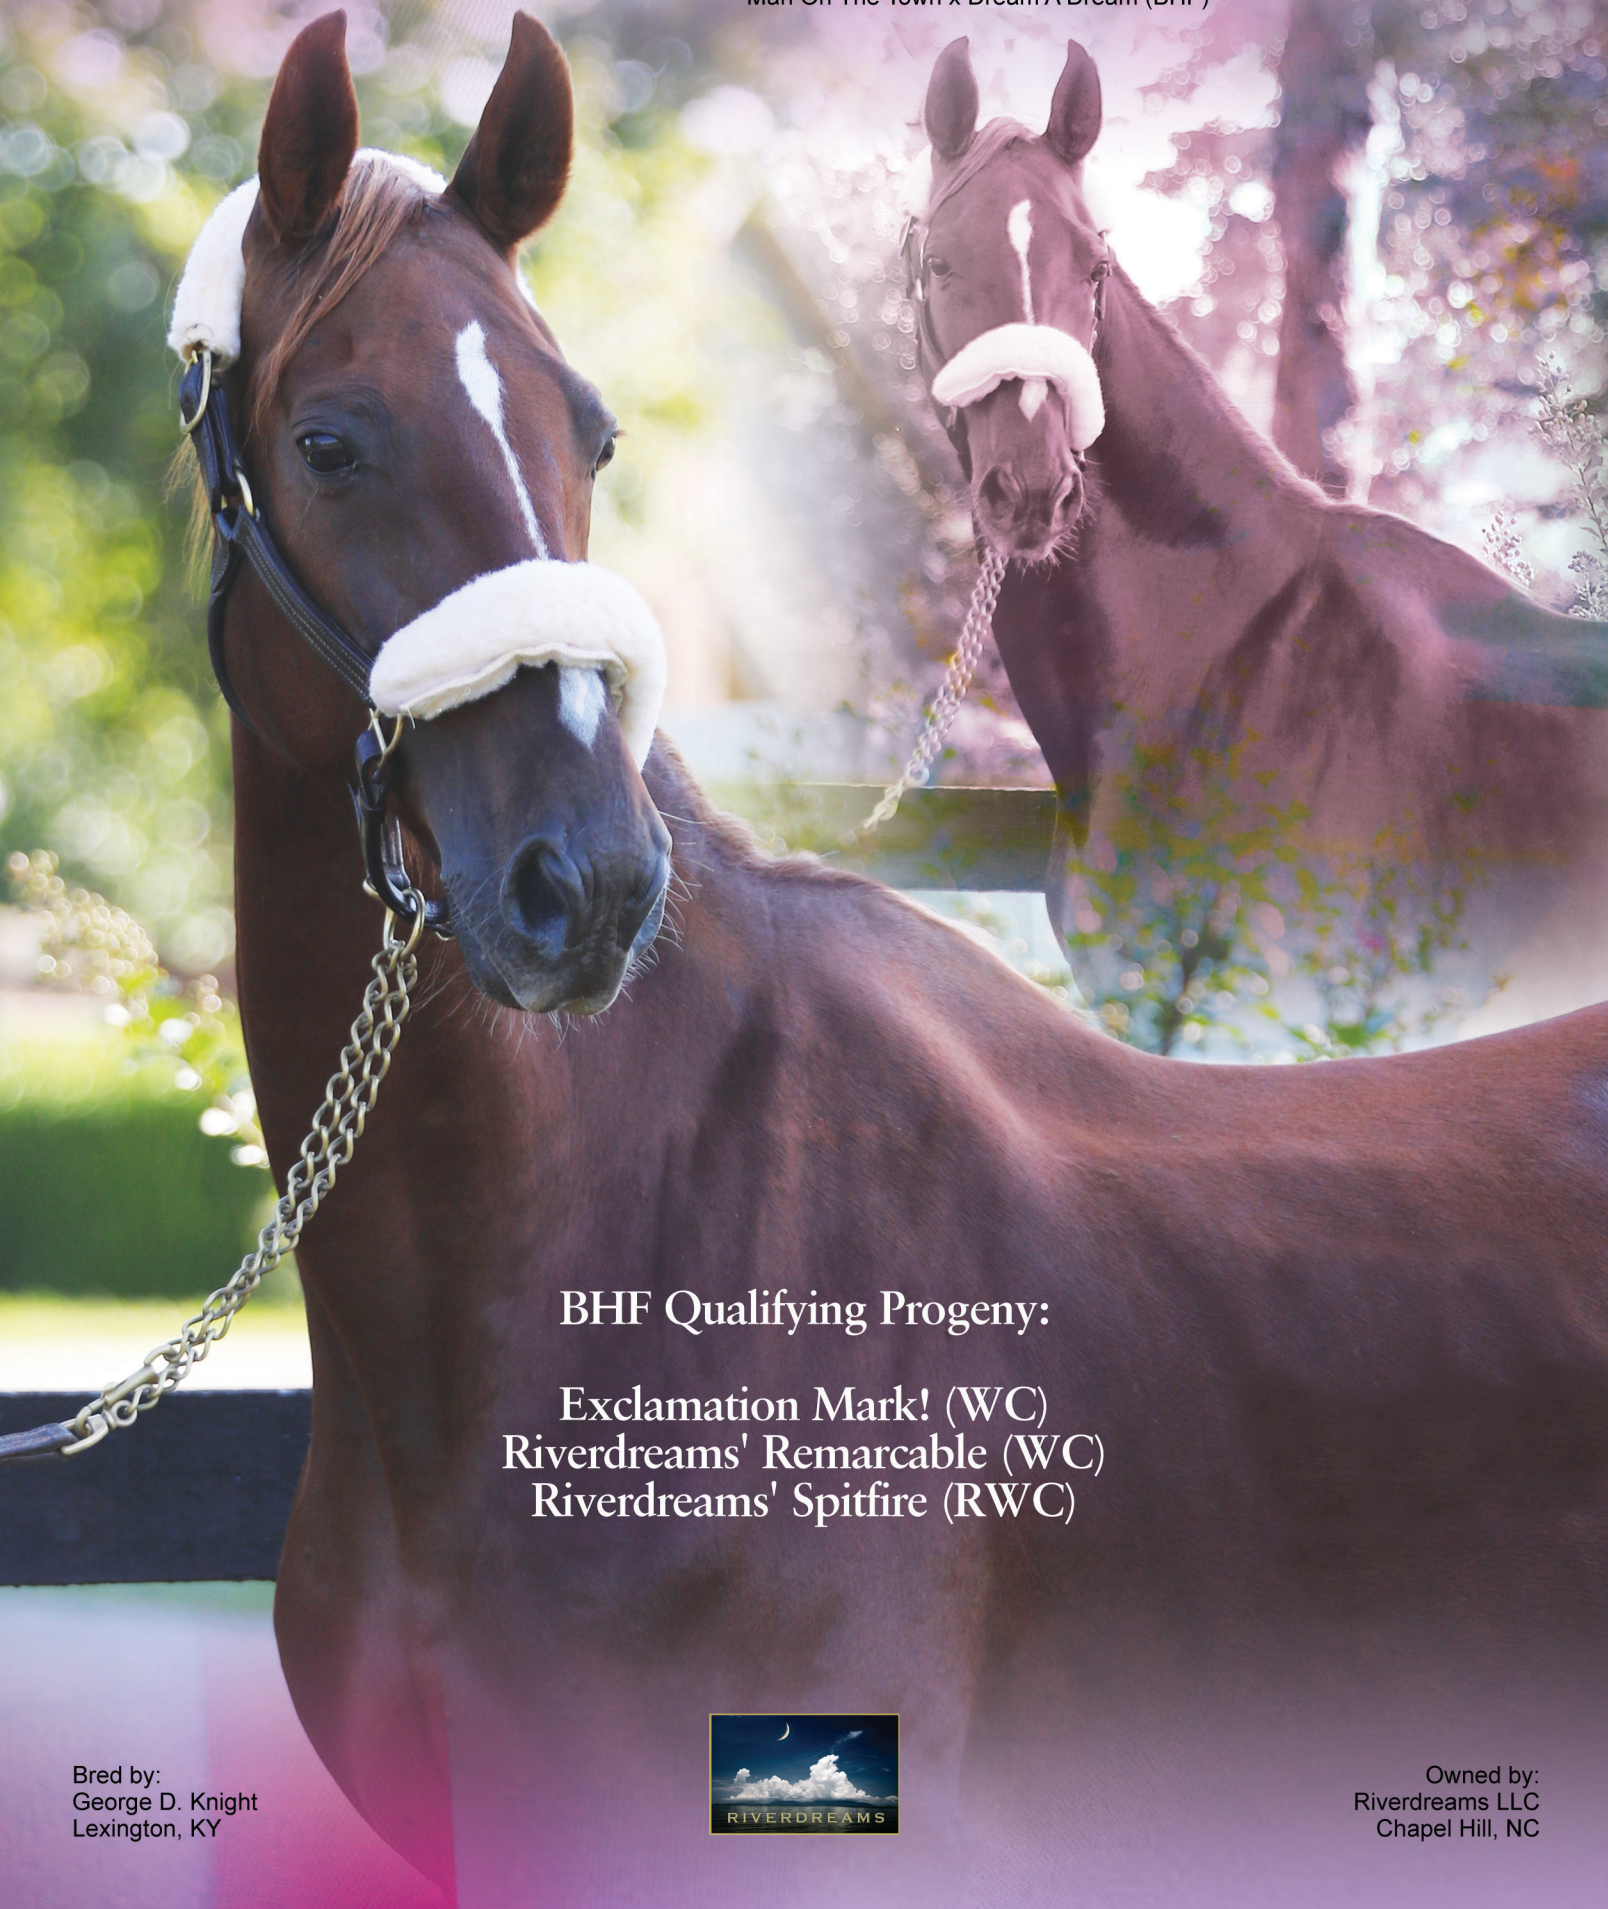

A look at the four generation pedigree of Man What A Dream clearly shows that she descends from a female line of wonderful producers. Two of her half sisters are already in the Broodmare Hall of Fame, as are her first, third and fourth dams (and fifth dam, as well). There are 11 different Hall of Fame broodmares in the first four generations of her pedigree, with 9 being considered exceptional.

Her breeding is a classic example of the "golden cross" of ^{CH}Wing Commander x ^{CH}Valley View Supreme. The cross, which first appears in her third generation, is known for producing the beauty and elegance of ^{CH}Valley View Supreme combined with the gameness and motion of ^{CH}Wing Commander. When beauty and gameness go hand in hand, remarkable things can happen as seen in the pedigree and production record of Man What A Dream. She still has many years ahead to produce even more champions for Riverdreams LLC.

KSF Winning Produce: 2	1999 ^{CH}Hear The Music 103810 by The Mean Machine
KSF Ribbons (2nd thru 8th): 1	

Most Fair (BHF) was actually inducted into the 2016 Broodmare Hall of Fame. The owner of one of her most famous offspring chose to honor this mare's contributions to the breed in this year's Journal. Most Fair was foaled in 1990 and the breeder on record is Franklin N. Groves. Never shown, she produced just seven foals but three were enough to qualify her for Broodmare Hall of Fame. She is by world's champion of champions sire Talent Town, the only full brother to Five-Gaited World's Grand Champion sire and twice Five-Gaited World's Grand Champion ^{CH}Man On The Town, and sire of 18 Kentucky State Fair producers. She is the first daughter of Talent Town to enter the Broodmare Hall of Fame.

The first of Most Fair's three sons to earn qualifying BHF titles was ^{CH}Hear The Music. Sired by world's champion sire and reserve world's champion The Mean Machine, ^{CH}Hear The Music was foaled in 1996 and won his first world's championship in 1999 when he was crowned winner of the ASHA National Three-Year-Old Five-Gaited Futurity. The handsome gelding would go on to win the 2000 Junior Five-Gaited World's Champion of Champion, but he really found his niche in the five-gaited pleasure division earning two more world's titles, a reserve world's title and countless blue ribbons across the country. Her 1998 foal, ^{CH}Just Special, was just that for many owners. Sired by WCC sire WGC ^{CH}Foxfire's Prophet, he began his career with a third place tie in the 2000 Kentucky Amateur Two-Year-Old In Hand Futurity. He won his dam's second qualification in the 2001 ASHA National Three-Year-Old Park Pleasure Futurity. The versatile ^{CH}Just Special made the switch to the three-gaited division and was the 2003 Reserve World's Champion Amateur Three-Gaited Gentleman's horse. He would go on to win three more world's champion titles in the juvenile three-gaited division, followed by three reserve world's championships in the adult three-gaited show pleasure division.

Most Fair needed just one more qualifying offspring to enter the Broodmare Hall of Fame ranks. It was her son by WGC sire RWC CF First Night Out that did it for her. ^{CH}Take A Guess was foaled in 2002 and began his show career in the fine harness division where he earned a third place tie in the Fine Harness Two-Year-Old Stallion/Gelding Stake, Division II at the 2004 Kentucky State Fair. By the next year he was gaited and he remained in the five-gaited division for several years, earning blues across the country and high placings at the World's Championship in junior exhibitor five-gaited. It wasn't until he made the switch to the five-gaited pleasure division that he truly found his calling. In 2010, he took his rider to win the Five-Gaited Show Pleasure Adult World's Champion Of Champions, earning his dam the final qualification needed for Hall of Fame status. Unfortunately, the rules at the time did not allow classes in the pleasure divisions to count toward the Broodmare Hall of Fame. ^{CH}Take A Guess would continue to blaze a path through the five-gaited pleasure division, winning two more world's champion of champion titles, one world's championship

title and two reserves. In producing three world's champion offspring by three different stallions, Most Fair is the perfect example of a "blue hen" - a mare that crosses with a variety of stallions and continually produces winners. Had the rules not been changed, the most deserving Most Fair would never have become a Hall of Fame broodmare.

Most Fair is from a long line of great producers. Her first, second and fourth dams belong to the Broodmare Hall of Fame. She is a half sister to 1995 ASHA National Three-Year-Old Three-Gaited Futurity and 1999 Ladies Three-Gaited Under 15.2 Worlds Champion R.R. Silver Lady (dam of Three-Gaited World's Grand Champion Sir Silver Knight and WC A Silver Charm), 1997 Reserve World's Champion Junior Five-Gaited Mare Cisitalia (dam of WC Madison Brown), The Sultan's Lady

(dam of WCC ^{CH}In My Heart and WC Seismic Force, and second dam of WCC A Night In Vegas and WC My Lady Belle), etc. Her dam, 1980 Amateur Three-Gaited World's Champion ^{CH}Sultan's Supremacy, is a full sibling to world's champion sires Worthy Son and Sultan's American Dream, and to reserve world's champions Only Forever and Sultan's Lou Lou.

Her second dam, Hall of Fame broodmare Jasper Lou, is a full sister to world's champion sire Mr. Magic Man, Jasper Gypsy (dam of WC The Executor and WC ^{CH}Supreme Quality) and Angel Wing Of Jasper (dam of WC ^{CH}Welcome Back), and a half sister to world's champion sire Jay O'Lee, RWC O'Lee!! O'Lee!!, Starla (dam of WC sire Native Promise) and Nancy O'Lee (dam of WC Caraway

and second dam of WCC ^{CH}Caraway's New York Minute, WCC sire General Steel, WCC sire WC The Manipulator, WC Quinella, WC ^{CH}Spike Leigh, RWC Absolut-Leigh So, and RWCC Careless Fortune), etc. Her third dam, Molly O'Lee, is not in the Broodmare Hall of Fame but she is a half sister to the following famous known Hall of Fame broodmares: Melody O'Lee, Jasper Sweetheart, Ann O'Lee and Jasper Lady Evelyn. Her fourth dam is Hall of Fame broodmare Judy O'Lee; the foundation mare for Alvin Ruxer's formidable breeding operation.

In the four generation pedigree of Most Fair 13 Hall of Fame broodmares can be found, with both Flirtation Walk (BHF) and Judy O'Lee (BHF) appearing twice. The magical cross of ^{CH}Wing Commander x ^{CH}Valley View Supreme is abundant both top and bottom and you would be hard pressed to find a stronger female line. Her papers are a blueprint for breeding for the "golden cross". She is line bred to Flirtation Walk (BHF) and three traces to Anacacho Denmark add strong lineage as well. She is a prime example of what a Hall of Fame broodmare should look like on paper and allowing pleasure classes to qualify for BHF status made all the difference in the induction of Most Fair.

Now 27 years of age, Most Fair lives the life of leisure with her final owners Nancy Trent and Gary Crump. Her last foal, Increase The Heat, was born in 2007 and is still winning today.

She is a prime example of what a Hall of Fame broodmare should look like on paper

2017 Nobody Knows 151444 by Undulata's Nutcracker	
2017 The Great Oz 124232 by Undulata's Nutcracker	
2014 Military Secret 119691 by Undulata's Nutcracker	

Secret Smile is one of just two mares this year to have gained Broodmare Hall of Fame status by virtue of producing world's and reserve world's champion offspring in one of the three original qualifying divisions; five-gaited, three-gaited and fine harness. She is also a rare mare in that each of her offspring that reached training age became a show horse. She has had 10 foals and all but her 2017 filly have hit the show ring. That's right – from Gossip Girl, her first foal in 2003, to her 2013 model, RWC Nobody Knows, each has gone into the training barn and on to successful careers. Now this is a producer that produces show horses! Foaled in 1998, Secret Smile was bred by Carl Fischer and/or Don Rich and Fischer became her sole owner in 2002.

The first of her foals to earn her a Broodmare Hall of Fame qualification is Military Secret. Foaled in 2007, he was the first of her foals to be sired by multiple world's grand champion sire Undulata's Nutcracker. In 2009, Military Secret was crowned Two-Year-Old Fine Harness Stallion/Gelding, Division II World's Champion. Military Secret has continued his winning career, earning four more world's championship titles as well as two world's champion of champion titles and a reserve world's champion title, all in the fine harness division. In 2017, two of her offspring earned Secret Smile her final two BHF qualifications, and they did it in style and on the same day. During the afternoon performance of the Kentucky State Fair World's Championship Horse Show, her 2013 foal, Nobody Knows (also by Undulata's Nutcracker), took his rider to the Reserve World's Champion Three-Gaited Junior Exhibitor 13 & under, Division I title. A few hours later, The Great Oz (foaled in 2011 and yet again by Undulata's Nutcracker) made Monday night extra special as he made a stellar performance to become Three-Gaited Ladies/Amateur 15.2 Hands & Over World's Champion. Secret Smile and Undulata's Nutcracker looks to be an extremely successful cross!

Secret Smile is sired by world's champion sire Adriatic, sire of WCC Bubble Bath, WC Future Perfect, WC Tamarack's Lights Out, and more. Adriatic traces to Emily's Daughter (BHF) (dam of WC ^{CH}Dream Hill's Ann Thompson (BHF) and second dam of WC Santana Ann, WC Main Topic, WC ^{CH}Epcot Center, RWC Citibank, etc.) and to RWC Starheart's Daughter. Adriatic has sired four Kentucky State Fair producers and Secret Smile is the first of his daughters to qualify as a Hall of Fame broodmare. Interestingly enough, another of his daughters, The First Lass, also entered the Broodmare Hall of Fame this year.

Secret Smile is yet another product of the "golden cross" of ^{CH}Wing Commander x ^{CH}Valley View Supreme

The dam of Secret Smile, Mac's Secret-FVF, was a five-gaited winner in the Carolinas. Mac's Secret-FVF was a daughter of The Mean Machine, broodmare sire of WCC ^{CH}Ninety Eight Degrees, WC Madison Brown, WC Callaway's Naughty And Nice, etc. Secret Smile is a half sister to Polished (by Longview's Paladin), dam of 2017 Three-Gaited Two-Year-Old Division II Reserve World's Champion Beauty Marc. Her second dam, Santana's Secret, is a full sister to WCC ^{CH}Secret Santana and a half sister to 1984 RWC Kentucky County Fair Championship What A Summer! Her third dam, Emilyn Denmark, is a half sister to Hall of Fame broodmare Emily's Daughter (third dam of Secret Smile's sire Adriatic), 1947 Yearling WCC Reverie's Miss Dogwood, and Emily's Miss (second dam of 1995 Five-Gaited Three-Year-Old Stake Division II World's Champion Tinsel Town and 1990 Five-Gaited Three-Year-Old Mare RWC CF Rave On). Her fourth dam is Hall of Fame broodmare Lady Emily. The sire line of Secret Smile traces twice to multiple Five-Gaited WGC ^{CH}Wing Commander, through his sons ^{CH}Yorktown and Buck And Wing, and her dam line also goes to ^{CH}Wing Commander through his son three-time Five-Gaited Stallion World's Champion Chief Of Greystone. Add in a touch of Oman's Desdemona Denmark on the bottom side and you have a lot of game, powerful horses packed in one pedigree. There are six different Hall of Fame broodmares in her four

generation set of papers and she is line bred to Lady Emily (BHF) by the great Anacacho Denmark. Fine Harness World's Grand Champion Sultan's Santana appears on her dam line bringing beauty and quality to the mix. Secret Smile is yet another product of the "golden cross" of ^{CH}Wing Commander x ^{CH}Valley View Supreme. Her 2017 foal, Cliché, is sired by world's champion sire Carl Lynn, a son of Undulata's Nutcracker. This filly looks good on paper and if she follows in the family's footsteps she should be heading into training sometime this year and to the show ring shortly after.

As stated before, the qualifications for Broodmare Hall of Fame have had to change over the years to reflect the breed as it evolved. Technology keeps improving and the ASHA/ASR database is certainly becoming more user friendly; allowing us to track the mares and their offspring more easily. But remember, some of the research work is still done by hand and all of the computer generated mares are still verified by hand. If you think we have missed a deserving mare, please let us know by contacting ASR Registrar Lisa Duncan at L.Duncan@asha.net or ASM Curator Kim Skipton at Kim@asbmuseum.org.
