

TRIPLE CROWN WINNERS

FIVE-GAITED

The following data lists every Grand Champion since 1938 from the Lexington Junior League, Kentucky State Fair World's Championship and the UPHA American Royal, which make up the American Saddlebred Triple Crown. The World's Championship Horse Show and the American Royal both began before 1937, but that is the year the Lexington Junior League began. The listings in boldface indicate that horse won all three Grand Championships in that particular year.
