

One of the most rewarding programs available to those who breed American Saddlebred horses is the American Saddlebred Horse Association's Breeders' Award program. The Breeders' Award was developed by the ASHA Board of Directors in 1997 to promote responsible breeding of American Saddlebreds. The Breeders' Award program recognizes the breeders of the champions and reserve champions in designated classes at the World's Championship Horse Show.

The only eligibility requirement is membership in the American Saddlebred Horse Association. The breeders of the champions and reserve champions in these classes will receive commemorative medallions to recognize their contribution to the breed. Thank you to the American Saddlebred Museum for their sponsorship of the Breeders' Award Medallions.
