KSF Winning Produce: 1
KSF Ribbons (2nd thru 8th): 2

2018 Undulata's Nuttin' But Net 119549 by Undulata's Nutcracker
2006 ^{CH}Cary's Moonraker 128984 by Foxfire's Prophet
2002 Pluto 107326* by Belle Reve's Renaissance Man

Heavenly Watch was bred by Cary Robinson of Cartersville, Georgia and was foaled in 1992. Royally bred, she comes from a family of champions in all divisions. She is a half sister to three-gaited world's title holder Hurricane Lane, five-gaited reserve world's champion Cary's Bold Dandy, multiple show pleasure world's champion ^{CH}Monster Man, Hall of Fame broodmare Majestic Jane (dam of RWGC and WC ^{CH}Royal Messenger, WCC ^{CH}Lady Periana, WC Stonecroft Royal Reflection, and second dam of RWC The Winter Rose and RWC ^{CH}Lord Balanchine), and in hand winner Lady Marlana, etc.

Never underestimate the importance of the bottom line. Heavenly Watch is yet another mare to follow her dam into the Broodmare Hall of Fame. She is a daughter of Hall of Fame broodmare Half Penny Manor Calamity Jane, a significant broodmare whose family continues to produce wonderful horses in all divisions. Half Penny Manor Calamity Jane (BHF) is by the elegant stallion Fire Lane (not often seen in today's registration papers) and traces to the renowned Hall of Fame broodmares Spelling Bee and ^{CH}Dixiana's Spring Cheer through him. She is a half sister to world's champion sire Breezin' Up. This ultra-game and talented mare was a many time three-gaited winner shown throughout the South under the name Calamity Jane.

The sire of Heavenly Watch, multiple Five-Gaited World's Grand Champion ^{CH}Sky Watch, was known for his extreme athleticism and big heart. ^{CH}Sky Watch is the sire of WGC sire WC Castle Bravo, WCC ^{CH}The Billy Bob, WC Catamaran, WC Pagan Prince, and many others of note. ^{CH}Sky Watch is the broodmare sire of 2018 Kentucky State Fair County Fair Grand Champion New York Skyline, WC Up In The Heir, RWCC He's My Beau, RWC Copper And Kings, etc.

There are seven different Hall of Fame broodmares in her four generation set of papers. Heavenly Watch is line bred to ^{CH}Anacacho Shamrock through two of his sons, the full brothers WGC ^{CH}Wing Commander and RWCC Private Contract. She also traces to the handsome breeding stallion Genius Bourbon King on both the top and bottom of her pedigree. In 1956, Genius Bourbon King became the first stallion to stand at a stud fee of \$1000. Genius Bourbon King added beauty and grace to the power and motion Heavenly Watch inherited from her traces to the powerhouse ^{CH}Anacacho Shamrock.

Her first foal, ^{CH}Cary's Moonraker (by ^{CH}Foxfire's Prophet), earned a world's championship in the 2001 Youth Challenge Fine Harness Championship. At the time, that win did not count towards BHF qualification. In 2002, ^{CH}Cary's Moonraker came back to be crowned Reserve World's Champion in the Fine Harness Ladies Stake, which did count for BHF. She would go on to earn several more reserve world's championship titles. ^{CH}Cary's Moonraker is already the dam of WCC ^{CH}MBA's Royal Shadow Fax, WC Cary On Broadway MBA and WC ASR Kentucky Futurity Weanling and Yearling World's Champion MBA's Cary's Girl. She appears to be well on her way to joining her dam in the Broodmare Hall of Fame.

Pluto (by Belle Reve's Renaissance Man) is the second foal of Heavenly Watch and he earned his dam her second qualification for the Broodmare Hall of Fame. Pluto was the 2001 Five-Gaited Two-Year-Old Reserve World's Champion and was the 2002 ASHA National Futurity Five-Gaited World's Champion. In 2018, Heavenly Watch's son Undulata's Nuttin' But Net (by Undulata's Nutcracker) was Reserve World's Champion of Champions in the Three-Gaited Junior Exhibitor 13 & Under class. Also in 2018, Pluto's full sister, Cary's Legacy, had a daughter, Kalarama's Living Legacy, earn the title Reserve World's Champion Five-Gaited Mare. She could also eventually join her dam in the Broodmare Hall of Fame.

Each of the three offspring that helped Heavenly Watch reach Broodmare Hall of Fame status was sired by a different stallion, and each stallion had very different bloodlines from the other. This is a testament to the strength of the pedigree of Heavenly Watch and the traits she carries. The epitome of a "blue hen" (a mare that crosses well with a variety of different stallions), Heavenly Watch was selected by Elisabeth Goth to enter her broodmare band in 2014. Unfortunately, Heavenly Watch never produced a foal for her. This grand mare received the best of care and lived a well-deserved life of luxury until her death in 2018. We were unable to locate a photograph of her, so her most famous son, Pluto, represents her in the reference photo. Luckily, Elisabeth Goth owns her daughter Heaven Ever Aptor (by Periaptor) as well as a granddaughter, ensuring the legacy of Heavenly Watch will continue.

“Heavenly Watch is yet another mare to follow her dam into the Broodmare Hall of Fame”
