\$100,000 BREEDERS CHALLENGE STAKE

Eligibility for the class: An online auction is held during the week of the World's Championship Horse Show. All of the winning bidders, along with the owners of the donated stallion services that obtain at least \$750 will get a voucher to compete in the following year's \$100,000 Breeders Challenge Stake class. The vouchers are not transferable, but a horse that has been sold after being declared for the Breeders Challenge class can still show in that class under the new ownership, provided a horse voucher assignment form has been completed by the seller. You are allowed to purchase multiple stallion services to have the opportunity to show multiple horses in the class. If a stallion owner purchases their own stallion service back they will get two vouchers, one for donating their stallion service and one for purchasing a stallion service. Vouchers are not transferable from year to year and must be used in the class that follows the stallion service auction.

Prize Money: If more than the allowable number of horses are entered in the class, there will be qualifiers set up similar to the current prize program qualifiers. The qualifying classes will not be tied and the judges will choose which horses make it back to the championship class. Prize money is divided among pinnings 1st through 10th.

How are they shown: Four-Year-Olds to be shown Three-Gaited, trimmed or full mane.
